

The United States Kerry Blue Terrier Club  
presents...

## 2010 Haymarket Futurity

Introducing additional classes!

18-24 months Dogs and Bitches

24-30 months Dogs and Bitches

Competing for Best Senior and Best of Opposite Sex  
to Best Senior in Futurity

These classes will NOT compete against younger puppies

For this year ONLY...a Kerry Blue which falls in the age range of the two new classes, whether they were originally nominated for the FUTURITY or not, will be eligible to compete, provided they meet the other entry requirements. In 2011 and beyond, in order for a Kerry Blue to compete in these new classes, it must have been born in a litter nominated for the current Futurity under which nomination the appropriate fees have been tendered and meet entry requirements.

The Breeder's Showcase...Now Even Better!

## Join Us In October...
