A Word from our President . . .

It is the end of October as I am writing this message to our club members. I have started to decompress from the Montgomery weekend as well as a busy personal schedule. The weather was terrific and our numbers were up for the shows. A contingent of Kerry breeders and judges were also on hand and I had an opportunity to speak to people like Ron Ramsey, Harold Quigg and others. I on a personal note had to make a number of tough decisions. Do I attend the Futurity or my son's wedding that Saturday? My wife Kathy helped me with that decision. I had to decide on the rehearsal dinner on Friday or the clubs dinner. Again, family members helped me with that decision since the father of the groom pays for a rehearsal dinner. Intertwined within this weekend was the fact that I have the responsibility to go to the storage facility for the USKBTC and handle the delivery of the perpetual trophies to the Sweeps, Futurity and the National Specialty. Thank you has to go out to one of our new governor's, Richard Basler for stepping forward and assisting with the Futurity Trophies. I did make sure I arrived at Montgomery in time on Sunday with the trophies by leaving my hotel room at 5:00am. The week after Montgomery, Gerry Yeager and I were responsible for setting up the booth at Meet The Breeds at the Javits center in New York. Thanks to Siobhan Conti, Gene Possidento and Sara Garthly for bringing their Kerries too. This just shows what can be done with a little bit of planning and people reminding me where to go to next.

I want to also say thank you to all of our outgoing Governors and hello to all the incoming (I won't call them new since they have been around for years) Governors. A special thanks to Barb Beuter for her leadership and advice to me over the last year and for agreeing to stay on as Vice President. Another special thanks to Carl Ashby for agreeing to take Bob Nazak's unfilled term. Carl will be able to continue as Treasurer which will give the club some much needed continuity. Charlie Redmon has been term limited out and will not be the US club's Secretary and Corresponding Secretary. Charlie's leadership in that role as well as his knowledge and execution of the duties will be sorely missed. However, Bill Kearney has agreed to take on the position of Corresponding Secretary and with Charlie's assistance, Bill will soon be up to speed.

I have only been in the President's role since our meeting in October. I don't expect this to be easy but with the Boards help we will have a successful year for the club and therefore our Kerries. One of the first pleasures of the position was signing the Kerry It Forward certificates. We have a wonderful, energetic and loving breed. The Kerry It Forward award honors therapy dogs, service dogs and educational service dogs. We also recognized our Kerries for exemplary performance and exemplary companionship. A thank you goes out to Jann Lane for taking this to the next level.

We as a club and a breed are going to be challenged in the next five years. There are declining registration numbers. Legislation put forth by uninformed legislators will continue to be threat to us and the breed. Health and genetics will always be a concern. The club will reach out to everyone to do what they can. If you are a breeder, register your litters. Give the gift of a membership in the US club to anyone who buys a puppy from you. Become involved as an Amateur Owner handler. Bring out our past champions and try for a Grand Champion title. The AKC is also trying to assist. They have come out with the Breeder of Merit program. There is a new Exhibitor mentoring program. Get involved with agility, obedience, herding and other ways to enjoy our breed. We even have dock jumping Kerries. I will do my best to represent our club and our Kerries. I would like feedback from our members as to what we should do to increase membership and to better the club. I will listen to what you have to say, bring it to the board and prioritize the suggestions. Thank you for the confidence and opportunity to be your voice and representative. I am excited about what we can accomplish as a group in the next 5 to 10 years by setting us on the path now. See you around the ring.

John Garahan

A Letter from the Editor...

You hold in your hands the largest issue of Blueprints to date! It grew steadily over the past several weeks, until it was just short of one hundred pages. The decision was made to hold out the Futurity results for publication in the Spring issue, where the Futurity winners grace the covers. We have multiple ads taken by proud breeders and owners celebrating the success of their breeding and showing endeavors, in addition to our listing of New Titleholders, show results, Gallery of Winners photos and ads for upcoming chapter club specialties. You will also find a write-up and photographs profiling our first Kerry It Forward recipients and the first of several new articles profiling our talented junior handlers - the next generation. Please take a moment to read about these very special Kerries that give back to their owners and society and the young handler profiled in this issue.

I am happy to report that everyone attending the shows surrounding Montgomery County weekend was blessed with terrific dog showing weather: clear, relatively mild, and most importantly to many people - dry for the end of the week! It was absolutely wonderful not to have to worry about rain shoes and mud, rain coats or umbrellas. I'm already hoping that next year will bring more of that same weather for all concerned.

You should also notice the newest roster enclosed with this issue of Blueprints. Please take a moment to check your listing. I would ask you to make a note of ALL corrections when you send in your dues in January. We make every effort to be accurate, but cannot do that if we aren't notified about changes. If contact information needs to be updated before your dues payment, please email your changes to Stephanie Clark (address below), Carol Kearney and to me. And at this point, I want to remind everyone that not only do I need your input for Blueprints but Carol Kearney also needs your information for the website. Please remember to send show ads, photos taken at the shows, new litter information, and articles of interest to Carol to share on our wonderful website. Many thanks Carol, for all your hard work!

Finally, I want to encourage everyone to get out with your Kerry: take a walk, volunteer at a school, visit nursing homes, take obedience classes or show in conformation. Every Kerry is an ambassador for the breed, and we need you! Until next time. . .

AKC Companion Animal Recovery Microchips

The USKBTC has obtained a supply of the new Trovan Solo Plus microchips for use by our Club members and Chapter Clubs. These chips have an all-in-one delivery system, similar to the syringes used by other popular microchip brands, and do not have the implantation problems of the original Duo microchips.

Advantages of microchipping all the dogs you breed and own include:

- Provides a way of permanently identifying pets—identification which cannot be removed or altered.

- Satisfies AKC requirements for permanent identification and recordkeeping.

- Required by law in a growing number of communities

- Dramatically increases the likelihood of recovering a lost or stolen pet—one study indicates that microchipped pets are **20x** more likely to be returned to their owners and/or breeders!

We are offering these chips to our Club members for an extremely low price of \$15 each, which includes prepaid lifetime registration with AKC Companion Animal Recovery. AKC CAR is the largest microchip registry in the US, and the only one that does not charge annual fees and/or fees to update information. Order four or more microchips at the same time, and the Club will cover the cost of mailing! And microchips are free for any Kerry Blue Terrier being fostered and placed through USKBTC Rescue.

Chapter Clubs interested in holding microchip clinics for their members, to have on hand for their club members or breeders or as a fundraiser or public service event can purchase microchips at the same discounted price, and arrange to borrow one of the Club's universal scanners for the event as well.

To order microchips from the Club or for more information, contact:

Lynn Duckett at (828) 628-2647 or e-mail kerigolf@bellsouth.net

Lisa Frankland at (505) 332-3251 or e-mail lisaf42@comcast.net

Kerry Banners with specific links to large graphic files have been added to the USKBTC website. The larger files will allow people to have more details needed for clearer reproduction of each graphic.

The specific article link on the USKBTC website is <http://www.uskbtc.com/article.php/516>. We encourage our chapter clubs to take advantage of these banners for your upcoming specialty shows!

Edbrios Galileo was the Sweepstakes Winner at the Southern California USKBTC specialty at Great Western in June 2010. Another entry was mistakenly identified as the sweepstakes winner in the last issue of Blueprints. Our apologies and sincere congratulations to the proud owners on a fine win!

Remembering Nancy Robards . . .

Nancy K. Robards of Belleville, Illinois (Bards Kerries) succumbed to complications of COPD on August 26, 2010.

In 1974 Nancy trained her first Kerry Blue Terrier, Crispin, in Obedience. She next showed Ch. Wedgewoods Leaps 'n' Bounds to his title and several Group placements herself. Finishing 5 other Kerries including Ch. Sean McAuliffe, ROM Ch. MacHaven's Goodness Gracious, Ch. Bard's Lady Be Good, Ch. Bard's Paper Chase and her final companion, Ch. Melbee's Goody Goody, Nancy also bred 9 champions and Bard's It's Only a Paper

Moon,
CDX, ThD.

Dr. Roger Macha and Wendell Wilson taught her Kerry grooming, with Dora Lee Wilson and Merle Taylor handling Goodness Gracious and Lady Be Good to their titles. Claire Martin and Nancy co-owned Goody Goody, and co-bred her Adair-Bards offspring.

Nancy was a charter member of Gateway Terrier Association, designing our logo; a past President of the Kerry Blue Terrier Club of St. Louis, also designing that logo based on a photo of Leaps 'n' Bounds. She was a member of the U. S. Kerry Blue Terrier Club and a Life Member of Belle City Kennel Club. She taught high school art for 30 years, and held several offices in the St. Clair County Garden Club, Junior Service Club of Belleville and the Signal Hill Methodist Women's Club.

She was a generous mentor to anyone with a puppy, a meticulous caretaker of her Kerries as well as her garden, an enthusiastic worker, a good neighbor and friend.

Spotlight on our future. . .

Raising and Training Your Child in Breed and Performance

My daughter Meghan was raised with Kerry Blue Terriers, and grew up accompanying me to training classes and dog shows. When my first Kerry, Lav

(Casey's Lavish Mischief UDX NA), earned his CD in 1992, Meghan was there, though not visible in the win picture (she was born six months later). Many of my training

sessions were set up in local parks, close to a playground so that Meghan and her brother could entertain themselves while I trained. The only time they were ever allowed to play in Lav's things was when I was at a show or match, so they thought it was great fun to be locked inside his ex-pen when I went into the ring! And when Will and Meg got a little older they became very skilled at stewarding and helping me and the other handlers with our dogs. Aside from the occasional non-dog person's raised eyebrow over their casual use of words like "bitch," this unconventional early training and socialization seems to have had no ill effects on their development.

Flash forward several years, to 1999, when I brought Katie Rae (CH Casey's Rae of Sunshine UDX RAE MX MXJ) home. Although Will, like his father, always loved the dogs, he had little interest in training and showing. Not so with Meghan, who still happily accompanied me to every training class, match, and show that she could. Langley Kennel Club (Hampton, VA) had a big B match in May of 2000 that I wanted to show Katie in. My husband, Aaron, and Will were camping that weekend, so I had no choice but to bring Meghan along and keep her occupied for several hours. Since I didn't trust a seven year old to be able to control a young Kerry Blue

Terrier like Katie around other dogs, and she was still too young to compete even in pee-wee juniors, I decided to let her show Lav in the Veterans' competition. I took Meghan to the mall to buy her a "dog show outfit" (lavender sundress and sensible sandals), and we spent all day Saturday trimming dogs. Our efforts paid off royally the next day when Katie took Best in Match, and then Lav, with a more or less clueless Meghan along for the ride, won Best Veteran in Match! Best Mother's Day present ever...at least at the time! The two of them won all the same prizes as the regular match winners: a huge rosette, crystal candlesticks, a 50 lb. bag of dog food (which we donated to the local shelter), and \$25 cash. Twenty-five dollars is a veritable fortune to a seven year old, and Meghan was thrilled when I told her she could keep that for her "handling fee." After that there was no turning back.

For several more years after that, Meghan was content to continue to tag along while I finished Katie's championship and started training and showing her in obedience and agility. I was still very nervous about allowing a young child to handle a large terrier, but

allowed her to start competing in juniors classes at matches with Lav. It wasn't until she was eleven years old that I finally let her handle Katie in juniors. She showed Katie several times and was consistently in the ribbons. Meghan also handled Lav in the veteran sweeps at the traveling specialty in Long Beach in 2005, when she was 12 and Lav was 15 ½. Lav took Best Opposite, though the judge commented later that he "liked the old guy the best!" Meghan also wanted to do obedience and agility, and for that she needed a dog of her own. After a

(Continued on page 12)

Spotlight on our future (Continued from page 11)

lot of thought and discussion, we settled on a small breed dog that would be relatively easy for her to manage and groom on her own: a Papillon. Ripley (Harmony's Believe It or Not CDX MX MXJ) joined us shortly after Meghan's 13th birthday, when he was a

year old. He was a show prospect that his breeder reluctantly decided to place when he grew too big to be competitive in breed, but she was delighted to let him go to a junior. Meghan happily dedicated herself to training Ripley, which then as now usually means attending classes three or four times a week. Ripley and Meghan are currently training for Utility, and working to earn the last few double-Q's (qualifying scores in both Excellent B standard and Excellent B jumpers) that they need for Ripley's MACH. They probably will not make it before Meghan's 18th birthday, but she will still be the youngest handler in New Mexico, and maybe in this part of the country, to earn a MACH when it happens. She has been very successful in obedience as well, earning high scores, multiple class wins and placements, and even an all-breed High in Trial last year! The people she trains with and competes against treat her like one of their own, which she is, and it is very fun to watch her comfortably chatting with the other handlers, and occasionally running their dogs for them.

Meghan still loves our Kerries, and when we got Remi (Kerigolf's Loaded For Bear CD AX AXJ) two years ago, she asked if she could co-own him and show him in breed and in juniors. She put Remi's first points on him, handled him to Best in Sweeps at the KBTCSC specialty in 2009, and beat some of the top-ranked juniors in the country for a Best Junior win. The latter also happened to occur on the

second Sunday in May, replacing that early Best Veterans' win as the best Mother's Day present ever! In the last several months Meghan's been concentrating more on Ripley, and has turned Remi back over to me. But she is always ready and willing to take Remi to class, or handle him in breed or agility, if I need her to. And when Katie was dying this past summer, it was Meghan who took her out on shopping trips so she could choose her own special toys and treats, and, at the end, insisted on staying home from training class and sitting beside Katie so that she wouldn't die alone.

Meghan is now a senior in high school, about to turn eighteen, and busy with college (Big surprise: she wants to be a veterinarian!) and scholarship applications, school projects, and squeezing in every possible moment with her friends before they all go their separate ways next fall. It seemed like her childhood would last forever, and now I'm looking back and wondering how it could all go by so quickly! Aaron and I are very proud of her, and determined not to be "helicopter parents," but we will miss her nonetheless. It will be hard for me to lose my training partner and dog show travel companion, and for

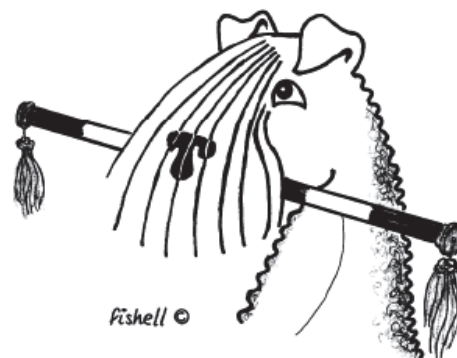

Remi and especially Ripley when "The Girl" is away at college or working. But we will always have our shared love of dogs and dog shows, and, who knows, someday there may be a grandchild or two accompanying us!

The editors would like to thank Lisa Frankland and Lynn Duckett for this article, the first of several that will focus on the next generation of Kerry fanciers.

What a great year this was for the Agility Kerries at the All Terrier Trials in Kimberton!

This year there were 11 Kerries entered. These were

In Excellent B

Bailey with Tracy Fullmer

Birdie with Maggie Hall

Brolin with Susan Adiletta

Jenny with Judy Ricketts

and my Molly

In Regular classes

Athena and Zeus with Joy Ellwanger

Maeve with Carol Wert and

Oscar with Jane Eno

In Preferred classes

Belle with Carol Wert and

Tide with me

Sadly only 4 Kerries competed all 4 days - Bailey, Birdie, Tide and Molly.

The biggest news of the 4 days was that Tracy Fullmer and Bailey completed their MACH2!! It was so great for us to be there and watch their MACH run. Also both Birdie and Bailey achieved the coveted Double Q - clean run in Excellent B Standard and JWW classes on the same day.

Birdie was the to winning Excellent B Kerry having accumulated total of 680 points - qualifying scores plus seconds under standard course time

The top Kerry of the regular classes was Athena with 396 points

The top kerry in preferred classes was Tide with 868 points

It was great to meet new Kerries and their owners, but the old-timers were greatly missed.

2010 Montgomery Week Performance Events

Kimberton Agility: Ten Kerry Blue Terriers and their owners participated in the Terrier Group agility trials, held October 5th through 8th at the Kimberton Fire Company Grounds. Thanks to Eve Fishell for compiling and sharing the agility results.

The daily winners were as follows:

Tuesday

Classes: Athena, owned by Joy Ellwanger
Preferred: Belle, owned by Carol Wert
Excellent B: Bailey, owned by Tracey Fulmer

Wednesday

Classes: Maeve, owned by Carol Wert
Preferred: Tide, owned by Eve Fishell
Excellent B: Birdie, owned by Maggie Hall

Thursday

Classes: Oscar owned by Jane Eno
Preferred: Tide
Excellent B: Birdie

Friday

Classes: none
Preferred: Tide
Excellent B: Birdie

Overall

Classes: Athena, owned by Joy Ellwanger
Preferred: Tide, owned by Eve Fishell (overall high point winner)
Excellent B: Birdie, owned by Maggie Hall

Also competing and earning qualifying scores were Eve Fishell's Molly, Jenny with Judy Ricketts, and Brolin with Susan Adiletta

Special congratulations are in order to Tracey Fulmer and Bailey, who completed his MACH2 on Friday, and Maggie Hall with Birdie, whose two double-Q's during the week allowed them to finish Bird's MACH back in California the following weekend! Birdie is just the sixth Kerry Blue Terrier to earn a MACH, and Maggie Hall is now the first person to have two MACH Kerries! And I believe Joy Ellwanger's Athena and Zeus both completed novice agility titles. Athena has the additional honor of completing her Grand Championship over Montgomery weekend! Finally, in the reflected glory department, Club member Patti Campbell completed a MACH3 on her Lakeland Terrier, Nikki.

Kimberton Rally: The Airedale Terrier Club of America held a Terrier Group rally trial on Wednesday, October 6th and obedience Thursday, October 7th. Three Kerries competed and qualified, with excellent scores, in extremely

large and competitive rally classes. Mrs. A Fleming Austin's bitch, Ch. Classy Lassie of Hallsblu and Evelyn Ganfuss' OTCH Tantara's Cosmic Phoenix UDX2 RN NA qualified in Novice B and Advanced B respectively, while Andy's Little Flower CD RA (Rosie), owned by Virginia Barishek, qualified in the Excellent B class.

Kimberton Obedience: In Thursday's obedience trial, we had a total of seven Kerries entered, with two absences. Two Kerries, both owned by Carol Wert, qualified and finished titles: Kerigold's Warrior Queen of Wedgewood (Maeve) completed her CD and was high-scoring Kerry in the regular classes with a 4th place finish in Novice B, and Wedgewood's Blubelle of the Snow CDX RE MXJ (Belle) finished her UD with a 2nd place finish out of Utility B. Maeve and Belle also won the non-regular brace class, while Evelyn Ganfuss' Phoenix and Virginia Barishek's Rosie both competed in a large veterans' obedience class, which Phoenix won. And although he did not qualify in Open B, Jane Eno's young male, Kerigolf's Wilde Knight CDX RE (Oscar), impressed everyone by holding his sit-stay while the two Airedales on either side of him got up and stood over him, essentially sparring. Keep in mind that in Open obedience, the stays are done with the handlers *out of sight* (in this case, outside the building). A fight was a very real danger under these circumstances, but the fact that nothing happened is a credit to Oscar's training, and a testament to the excellent temperaments of all three of these dogs!

Hatboro Rally and Obedience: Three Kerry Blue Terriers participated and qualified in Hatboro Dog Club's all-breed obedience and rally trials. In rally, Virginia Barishek's Rosie finished her RE, and Mrs. A. Fleming Austin's CH Classy Lassie of Hallsblu completed her Rally Novice title with a 4th place. And over in the obedience ring, Oscar and Jane Eno, unshaken by their experience the day before, earned an outstanding score of 194.5 and second place in Open B.

Congratulations to all, and please consider joining us with your Kerries next year!

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

AKC Grand Champions

Now your Kerry Blue Terrier can go from a champion to a grand champion. AKC announced their new conformation title in May this year. It's a way to continue to show your special Kerry and to receive a new title. Even if you aren't into ranking your Kerry you can still earn a grand champion title. You and your Kerry will enjoy the time in the ring and your new grand champion certificate will be a nice addition to his record.

The new grand champions will be listed in *Blueprints* each issue. Here is some information on how to achieve the grand champion title from AKC.

A dog must be (1) a Champion of Record or (2) have been transferred to BOB competition based upon the owners' records of their having completed the requirements for a CH title to be eligible for Grand Championship (GCH) competition.

The American Kennel Club requires a dog to obtain a total of 25 points with three major wins (a major win is worth three points or higher) to become a Grand Champion. The majors must be won under three different judges and at least one other judge must award some of the remaining points – so you need to win under at least four different judges. Also at least one Champion of Record must be defeated at three of these shows.

Best of Breed – BOB

Best of Opposite Sex – BOS

Select Dog – SD

Select Bitch – SB

Remember that point schedules vary by show location. If you are not at the show, make certain you get the points schedule for the event region where your dog won. Refer to the Schedule of Points.

The Grand Championship (GCH) points awarded are determined by the same divisional point schedules that are used for the calculation of championship (CH) points.

Check the posted copies of the judge's book before you leave the show to make certain your dog was marked correctly. Mistakes do happen! Also, verify that your dog's AKC registration number is correct in the catalog. If it is not correct, let the superintendent know before you leave the show. In both cases, it's easier to make the correction on the day of the show rather than later.

For more information on the grand champion or other information go to **www.AKC.org**.

The following Grand Champions have qualified for AKC/Eukanuba Grand Championship Show for 2010; they are listed in the order in which they received their GCH title (ties were counted as 2 spots). The first 10 Grand Champions received a special edition blue AKC medallion in addition to their certificate.

Kerigolf Litter Excels in Performance!

Three littermates are making their mark in obedience rings around the country. Sired by Ch. Kerigolf's Christmas Knight x Araglyn Bufferzone for Kerigolf, the litter was bred by Lynn S. Duckett and born on March 17, 2008. All three youngsters have also earned points toward their AKC championship.

These three ladies have dedicated many hours (and dollars) to training and showing these pups. As the breeder, I couldn't be more proud of all they've accomplished in performance events. I feel blessed to have found such wonderful homes for my pups. These young Kerries are proving that beauty and brains, as well as form and function, go together well!

“Kerries with a Calling: A Mission to Give Back to Society” The 2010 Kerry It Forward Recipients

**By Jann Steel Lane, Ph.D.
Kerry It Forward Award Chair**

A great show dog loves the ring. We have all seen that special Kerry stride down, back, and knew that dog loved what he or she was doing. Just as some of our Kerries love the ring, others have a calling just as strong outside the ring where there may be less applause, a calling to serve those in great need. In fact, many of our Kerries have had the calling in both the show ring and in therapy dog, and contribute to our breed in both.

In 2010, the United States Kerry Blue Terrier Club instituted the Kerry It Forward Award to honor the Kerry Blue’s Canine-Humanitarian contribution to society and the individual through four categories: 1. Service Dog, 2. Therapy Dog, 3. Educational Service Dog (examples: Bite Prevention Programs; Reading Assistance Programs; School Crossing Programs); 4. Exemplary Companion Dog (examples are a one time act of courage or companionship to an individual under exemplary circumstances such as saving a family from a fire in the home); for 2010-2011 we are also honoring those Kerries who have passed away in previous years and would have met these criteria, (In Memoriam) regardless of how long it has been since they lived and contributed to our breed and to society.

at Montgomery in all three of our levels—Level I were dogs who qualified and contributed in one category, Level II were dogs who qualified and contributed in two categories and Level III are dogs who qualified and contributed in three categories or more. We have one Kerry who contributed in three categories. We dedicate these awards for 2010 in the memory of Bob Nazak who passed away June 21, 2010. Bob believed in the goodness of people and the goodness of Kerries. The Kerry It Forward Award was a project he personally championed.

All Kerries are special and contribute to our lives in many ways every day. These 10 Kerry award recipients insisted that their owners take their abilities to give to another level. They had “a calling” or a mission to do more.

Perhaps one of their stories may cause one of us to look at our own Kerries at home in a different light and explore our Kerries’ hidden potential to give that special Kerry gift to others in need.

Congratulations to the 2010 Kerry It Forward Award Recipients! We are proud of you. Thank you for your service.

In 2010, we have 10 recipients of this award

Saved By a Kerry: Andy

Andy joined Virginia Barishek of Philadelphia, PA a few days after her sister's passing from cancer at the early age of 45 years. Days that seemed filled with darkness and sorrow soon saw Andy and his Kerry ways, reaching into Virginia's heart. Andy was a special boy and showed Virginia that there was more living to do. During the next 12 years, Andy would achieve AKC obedience titles of CD CDX and UD. He also received agility titles of NA but Rally was his favorite earning RAE- 3 in May 2008. Nothing compares however to his love and commitment to Virginia. While attempting to use an ATM one evening, a potential mugger came running at Virginia. She gave the "Andy Ready, Watch Him!" commands that were key words from obedience training and that was all Andy needed to hear. Andy bounded from the car and bolted to the very end of the lead, which of course the mugger did not see. The mugger saw all he needed to see in Andy. He changed his mind and changed his course. Andy saved Virginia's life. Andy left us in February of this year and is greatly missed by Virginia, his friends and family. Andy was an Exemplary Companion dog.

Ashby Show Dogs and Therapy Dogs: Kerries Can Do It All

Carl and Jaimie Ashby have been active in conformation Kerries for many years. What many may not know is that they have had therapy Kerries also. In 1998, Bailey and Jaimie started Pet Visit Program for their local hospice and nursing home in Greensboro, North Carolina, with several other owners and their dogs. Bailey loved visiting the facilities with her friends and developed a ritual of "telling the

other dogs off" upon her arrival in the parking lot. Kerry humor! After the "Kerry conversation" they would all enter together! Bailey lived to be 16, and passed away in 2006. When Bailey retired, her housemate Squiggy took over the therapy dog duties. In fact, Squiggy even took over the "bark out" duties in the parking lot, as she entered the facility. Residents love Squiggy to this day as she entertains them with her many tricks and cuddles with them in their beds. Squiggy brings many smiles to the many hearts she touches. Her work is equally rewarding to both Jaimie and Carl. As Jaimie says, "it's good for the heart!"

The Hulit Therapy Dog Legacy

June and Hal Hulit, Wooster, Ohio have the home you might want to go to, if you are a Kerry and have the calling to be a therapy dog. They have had three in 15 years. Jewels joined their family at the estimated age of 10 years, she was owner surrendered. Although many Kerries are looking to retire at 10, Jewels was just getting her degree! She had a calm disposition and a forever-wagging tail and soon received her Therapy Dog International certification, and became a favorite of residents at the local nursing home near Wooster, Ohio for the next five years of her life, before passing away at 15, giving to each resident as if they were the only person in the world. Jewels truly had a gift to give her world.

Katie joined the Hulit family as a puppy in 1996, bound for the conformation ring. Katie had other plans. Although she was very "typey" as described by many judges, Katie made it clear that she did not care for showing. Katie quickly received her Therapy Dog International certification, fulfilling her mission to deliver love to those in need. Katie was known for focusing upon those who had withdrawn. One petite silver haired lady in particular would lie in her bed and never speak to anyone. Katie chose her. Katie would sit by her side, placing her paws on her bedside, getting as close to her as she could to

KIF profiles (Continued from page 45)

her. Each day she would stroke her soft coat. After many days of stroking her coat, and silent visits, the lady turned to June and spoke, "They know who loves them." June was shocked. She told the nurses. They could not believe it and went flying from the room. The next few visits found the lady, not in her bed but in a wheelchair in the community room. Each resident had a shadow box on his or her door. Her shadow box now was filled with pictures of dogs. Katie made a difference.

Katie received her AKC-ACE nomination in 2001 and was recognized for her work in the Wayne County, Ohio Dog Bite Prevention Program. Katie received her Retired Therapy Dog Kerry It Forward Award in October 2010. Katie passed away peacefully in her sleep in her favorite chair at 14 years on November 6, 2010. She is loved, missed and very appreciated by all who knew her and by those whose lives she touched.

In 2005, Ivan, a rescue, became a permanent Kerry in the Hult family after he was fostered by

burrowing his way into their hearts. Ivan the Terrible soon had other plans. He was awarded his Therapy Dog International certification and served as Therapy Dog at a nursing facility in Holmes County, Ohio. Nevertheless, Ivan had still another calling in mind-canine reading assistance! Not only does Ivan help children develop reading skills but he

also helps them learn how and when to approach a dog. Ivan also teaches a class at the Red Cross in Dog Bite Prevention on what to do if you come

across a stray dog.

Ivan breaks the ice with children with his various costumes celebrating holidays such as St. Patrick's Day, Memorial Day, Fourth of July, and a special pirate costume to kick off the summer reading program. Unlike some Kerries, who do not like clothes, Ivan dons his with aplomb, a special Kerry flair, tail wagging, head held high with that special Kerry stride. He seems to know that they help him get the attention of the children, so he can do his work that is most important-the work of his heart.

Dr. Beckett: Reading and Healing

Reatha Omodio has to spell s-c-h-o-o-l- or Beckett will think it's time to go to school and teach reading to her students! For

the past two years, Reatha has been taking Beckett to Wesley Chapel, Fl elementary school to work with second and third graders

who were behind in their reading progress. Beckett would sense those who needed extra attention and those became her favorites. The mention of their names would get a response from Beckett. As her favorite students would read to her, Beckett would sit facing the child, intent on every word. Over the past two years, students have written letters to Beckett and dedicated their yearbook to the Therapy Dog Program at Wesley Chapel. Beckett assisted Julie Omodio Griess, daughter of Reatha and Jim Omodio, in conducting her doctoral dissertation research study on the effect of canines on children's reading skills with learning disabilities. Julie was awarded her Ph.D. this past summer. Beckett "earned a doctorate" too, and continues her special work in Kerrying it forward.

CA at 5 months as a rescue. Although he did not come with a past, he had his future all planned, in his Kerry mind. He passed his Canine Good Citizen with perfection on the first try. Paddy's first mission was his owner Andrew

who had difficulty traveling without medication. Paddy now accompanies Andrew as a certified Emotional Services Dog. Paddy's Support makes it possible for Andrew to completely eliminate medication while traveling. Paddy has become a popular passenger on aircraft, particularly with the pilots. Paddy received his Therapy Dog International certification and has taught the children of the Boys and Girls Club of Silicon Valley, CA about pet etiquette and dog safety. Meghan has had two Kerries previously and is active in his training. After a fall wedding, the plans include a relocation to the Dallas area where the couple hopes to continue Paddy's mission of his heart.

Kerries Go International with Good Works

Two Kerries have gone international with their call to do good works. Suzanne Carpenter of

Marysville, Washington has placed two Kerries with Alana Fulton in Vancouver, BC Canada who are recipients of this year's award. Suzanne has been involved in therapy dogs for more than twenty years, in the US and across the border in Canada.

She tells us of a group called F.I.D.O. Federation of Individuals and Dog Organizations that sponsored shows and therapy groups for a number of years. As often happens, this group ended, but from it arose Wagging Tails Pet Therapy- visiting nursing homes,

care homes and hospitals. Residents welcomed them with open arms and many smiles. Glenkerin's Kiss the Dragon

"Darcie" was one of Suzanne's puppies in the program. Darcie knew her calling as a therapy dog was meant to be. Although her life on this earth was too brief for those who loved

her, due to her own health problems, Darcie gave every day that she had, to others. Darcie passed away in 2009. Darla, Truetype's Darling of Glenkerin has taken over for her housemate Darcie, for Alana Fulton, extending the Kerry love to nursing homes, hospitals and care facilities. The enjoyment that Darla brings to residents with her therapy dog friends, is also felt by the owners and the dogs themselves. Everyone benefits from the very special love these Kerries have to give.

AKC Companion Animal Recovery Microchips

The USKBTC has obtained a supply of the new Trovan Solo Plus microchips for use by our Club members and Chapter Clubs. These chips have an all-in-one delivery system, similar to the syringes used by other popular microchip brands, and do not have the implantation problems of the original Duo microchips.

Advantages of microchipping all the dogs you breed and own include:

- Provides a way of permanently identifying pets—

- identification which cannot be removed or altered.

- Satisfies AKC requirements for permanent identification and recordkeeping.

- Required by law in a growing number of communities

- Dramatically increases the likelihood of recovering a lost or stolen pet—one study indicates that microchipped pets are **20x** more likely to be returned to their owners and/or breeders !

We are offering these chips to our Club members for an extremely low price of \$15 each, which includes prepaid lifetime registration with AKC Companion Animal Recovery. AKC CAR is the largest microchip registry in the US, and the only one that does not charge annual fees and/or fees to update information. Order four or more microchips at the same time, and the Club will cover the cost of mailing! And microchips are free for any Kerry Blue Terrier being fostered and placed through USKBTC Rescue.

Chapter Clubs interested in holding microchip clinics for their members, to have on hand for their club members or breeders or as a fundraiser or public service event can purchase microchips at the same discounted price, and arrange to borrow one of the Club's universal scanners for the event as well.

To order microchips from the Club or for more information, contact:

Lynn Duckett at (828) 628-2647 or e-mail kerigolf@bell-south.net

1/2 teaspoon baking soda
1 egg
1/4 cup vegetable oil
1 1/2 cups banana, pureed
2 teaspoons vanilla

Add water, one teaspoon at a time as needed. Knead by hand on table until mixed thoroughly. Form into logs approximately 2" - 2 1/2" high. Flatten so that logs are 6" - 7" wide by 1" high. Place on non-stick baking sheets or lightly greased ones. Bake 30 - 40 minutes. Remove and cool for 10 minutes. Slice into 1/2" - 3/4" slices. Place on baking sheets and bake for about 20 minutes or until golden brown. Cool. Store in airtight container.

Newf Breakfast Bars

12 c. oatmeal
4 c. whole wheat flour
8 eggs
3/4 c. oil
2/3 c. honey
1/2 c. molasses
2 c. milk
1 large can solid pack pumpkin (optional)
3 to 4 mashed bananas (optional)

Preheat oven to 325. Grease 2 cookie sheets. Dump everything into a VERY large bowl. Mix this whole mess together (I use my hands), pat onto greased cookie sheets & bake at 325 for 1 hour. After 1 hour turn oven off, crack oven door & allow cookies to cool in oven. Break into whatever size you want (mine like LARGE). These freeze really well. My guys love these, they sit in front of the oven waiting.

Editor's Note: I have actually made the breakfast

bars (I halved the recipe) and my guys LOVE them. Feel free to substitute sweet potatoes or carrots for the canned pumpkin.

Canine Carrot Cookies

2 cups carrots -- boiled and pureed
2 eggs
2 tablespoons garlic -- minced
2 cups unbleached flour -- *see Note
1 cup rolled oats
1/4 cup wheat germ
*or rice flour or rye flour.

Combine carrots, eggs and garlic. Mix until smooth. Add dry ingredients. Roll out on heavily floured surface and cut into bars or desired shapes. Bake at 300 degrees for 45 minutes or to desired crunchiness. The centers will continue to harden as they cool. Brush with egg white before baking for a glossy finish.

Cheese Bone Dog Cookies

2 cups Unsifted all-purpose flour
1 1/4 cups Shredded cheddar cheese
2 cloves Garlic, finely chopped
1/2 cup Vegetable oil
4 1/2 tbsp Water (up to 5 tbsp.)

Preheat oven to 400°F. Combine flour, cheese, garlic and vegetable oil in container of food processor. Cover, whirl until mixture is consistency of coarse meal. With machine running, slowly add water until mixture forms a ball. Divide dough into 12 equal pieces. Roll out each piece to 1/2" thickness. Cut shapes with cookie cutters. Transfer to ungreased cookie sheet. Bake in preheated oven for 10 to 15 minutes or until bottom of cookies are lightly browned. Transfer to wire rack to cool completely. Refrigerate in airtight container.

Peanut Butter Dog Biscuits

1/2 cups water (add more water later if required)
1/2 cup oil
2 eggs
3 tablespoons peanut butter
2 tsp. vanilla
2 cups flour
1/2 cup cornmeal
1/2 cup oats

Blend wet ingredients together. Whisk dry ingredients together and mix into wet mixture to form a ball of dough. Roll out and shape. Put onto a non-stick cookie tray or lightly greased one. Cook 20 minutes at 400 F. Turn off oven and allow the biscuits to cool in oven until crisp and hard. Store in airtight container.

**THE UNITED STATES KERRY BLUE TERRIER CLUB
CODE OF ETHICS**

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

I. RESPONSIBILITIES AS A MEMBER

- Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.

- Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

II. RESPONSIBILITIES AS A BREEDER

A Breeder shall:

- Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names, and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.

- **Be prepared to assume lifetime responsibility for any litter produced.**

III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER

- Act professionally at all times in caring for and exhibiting any dog in your charge.
- Do not engage in any questionable contact with judges prior to exhibiting under them.
- Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

IV. ENFORCEMENT

- The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
