2009 President's Report

Thanks to the efforts of the USKBTC board and members a wide range of actions have been initiated in the last year to protect and advance the interests of the Kerry Blue Terrier, breeders and owners! In addition programs are underway to enhance the opportunity for participation in activities for which the Kerry Blue Terrier was historically bred.

Major Actions:

The USKBTC Board took a strong position to defend the historical practice of tail docking. Thanks largely to Susan Dunivant's efforts a letter was drafted and sent to the AVMA in opposition to their position. In addition an article was published in the August issue of the AKC Gazette, KBT Breed column on this topic.

Anti Dog Legislation is rampant throughout the country and many USKBTC members have been active in opposition to such legislation. An onerous bill was introduced here in Arizona and through continuous interaction with our state reps. we were able to dramatically modify the legislation and turn it into an acceptable law, a copy of which was forwarded electronically to Phil Guidry in the AKC Canine Legislation Dept. In addition, letters were written in opposition to anti dog legislation introduced in New York and California. Thanks to Rose Marie Mais, our USKBTC Legislative Liaison Contact with the AKC Government Relations Department for continuing to provide timely input on pending legislation through out the country.

A committee headed by Don Wilde made specific recommendations for modification of the Futurity. These were approved by the USKBTC Board. Carol Wert is the 2009 Futurity chair.

The USKBTC Board voted to support the annual AKC/Eukanuba Meet the Breeds events in conjunction with the National Championship and at the Jacob Javits center in New York City. Thanks to the KBTCSC, John Garahan and Gerry Yeager for volunteering to man the booths at these events.

USKBTC-CF will, for the third year be the recipient of financial support for our rescue fund from the Pedigree Foundation. We are grateful for not only their contribution, but also their recognition of USKBTC efforts. Thanks to Linda Pheasant, treasurer for Charitable Funds, for making this application.

The Board and membership have been kept aware of ongoing rescue activity throughout the year. The rescue policy is working well and affiliated chapter clubs and members have done a great job of providing leadership and support to USKBTC rescue efforts. We still need SOMEONE to assume responsibility for co-coordinating rescue efforts on a national basis.

CHIC: The Health & Genetics committee recommended and the USKBTC Board approved USKBTC participation in CHF'S Canine Health Information Center. Margo Steinman provided detailed information in the summer issue of Blueprints.

Through Charitable Funds the USKBTC continues to invest in fighting diseases impacting the KBT. We are currently supporting CHF study 00613: This study relates to canine lymphoma.

Mentoring/ Judges Education: Thanks to the efforts of Charlie Redmon, Nick Fletcher and Carol Kearney two seminars were held this year, one in Houston and the other at Dr. Gerard C. Penta's school in Pa. Both were well received and the participants gave very positive feedback on both Nick and Carol's presentation. This was done at considerable personal sacrifice on both their parts. Thank you both for your contributions on behalf of the KBT and the USKBTC.

AKC Registration Pledge Challenge:

The USKBTC Board approved and encourages all breeders to participate in this program. It takes considerable financial resources to fight anti-dog legislation. A primary source of AKC income is individual dog registration.. At this time fewer than half the puppies from AKC litters become registered. We need breeders to include the fee in the price of the puppy and forward the papers to the AKC.

The USKBTC Board passed a motion to contribute \$100 to each affiliated club holding a second specialty in the same year. The board did this to encourage additional specialties.

Bob and Barb Beuter continue scanning historical material for the virtual website. In addition they are work-

To The Membership:

The purpose of publishing the "Proposed Member" is to give the membership the opportunity to review applicants and comment, if they so desire, in support of, or opposition to, said applicants membership. Correspondence in support of and/or opposition to the membership, should be directed to the Membership Chair within 30 days after publication of said applicant. Membership Chair: Bob Nazak, 842 Oak Grove Dr., Mineral, VA 23117

Any correspondence received during that time period will be attached to the ballots which are forwarded to the Board of Governors for the voting process.

A Letter from the Editor...

As the year winds down and another show season draws to a close, I look back on what has been a very busy and eventful year. Although the numbers at most shows were down from previous years, our chapter specialties still drew good entries. With many clubs holding back to back events, it certainly makes the travel worthwhile - the wonderful "two for one deal." And I think I can safely say that most of us still hope to see the numbers increase in the months to come.

As usual, this issue is filled with results from our most recent specialties. The Gallery of Winners reflects the Pittsburgh, Chicago, Philadelphia and National specialties to name a few. I urge you to submit your chapter club show win photos for inclusion in our upcoming issues. What an effective way to show off your Kerry companion and share your accomplishments with other club members!

You will also find ads for specialties in the coming year, OFA health reports for the past year, a report on agility at Kimberton and a short article about our newest MACH3 Kerry. If you do NOT see an ad for your next specialty in these pages, I encourage you to submit one soon for the spring issue. Your ad might help increase your club entry, and motivate someone to attend another specialty. There are also reports about some of our new chapter clubs, a CHIC update, and a photo montage of candid shots taken at our National specialty.

Finally, I want to take this opportunity to remind everyone that this is your magazine. Please consider submitting an article on a topic of interest to the Kerry community, or share candid photos of your Kerry doing what he or she does best. If you have a favorite reference on dog care or canine health, share it with us. As always, publication deadlines may be found on page three of every issue. We want to hear from you! Until next time. . .

San Diego Club Update!

Our Bylaws have been conditionally approved; we need to make two minor revisions, and hope to do so in a timely manner. Additionally, our money coffers will be full - we have had some large commitments recently due to our Capital campaign efforts. Our membership application has been revised and is complete - and our Palm Springs Weekend and Del Mar plans have rounded into formation. The Newsletter is almost complete. At the beginning of the year, because of the dire forecasts of an economic depression and/or recession - Club members had agreed to limit the Clubs activities in the first part of the year to focus on a Capital campaign. We will attempt to have our B- Puppy Match sometime in October - after Montgomery. We also have a series of Club Member and Directors events to complete over the next 5 months. Our membership has increased over the last 4 months as well.

News Flash!

Congratulations to Gigi Lorentz Reiling whose name was just published in the AKC Gazette as a provisional judge for Kerry Blue Terriers. Most of you know Gigi as she has been around the Kerry show world since she was a child. Currently Gigi is serving as a board member for the USKBTC, very active in the St. Louis Kerry Blue Terrier Club, is also an active breeder and exhibitor. It is great to see a new breeder judge as we need more judges with a great background and understanding of our breed. We wish her the best in this endeavor and we know she will make a fantastic Kerry judge.

2009 USKBTC Herding Chair Report

**Submitted: Jann Steel Lane, Ph.D.
September 28, 2009**

Herding is catching on! With the Kerry Blue Terrier officially approved to receive AKC herding titles as of January 2007, more and more owners are discovering the joy of working with their Kerries, in sheep herding, even though our breed has been herding livestock since its origin on Irish farms in the 19th century.

Our herding trainers have stressed that achieving herding titles can take years of training between the owner and the dog and is known to be a slow process, whereby 'the journey' is enjoyed as much as 'the destination', or title. Herding titles can be earned through the American Herding Breed Association and the AKC.

2009 Herding Goals:

- To continue to expand awareness and encourage interest in achieving AKC herding titles and AHBA herding titles for the Kerry Blue Terrier by supporting herding instinct testing and educational opportunities about herding with the Kerry;
- To continue providing a centralized resource to assist KBT owners in identifying local and regional herding locations for instinct testing and available trainers through networking;
- To continue providing support and encouragement to members who are interesting in herding with their Kerries through a discussion forum online and through email support; We have the online list USKBTCHERDINGLIST@yahoogroups.com, I personally maintain email contact with owners, directing them to facilities for training and testing;
- To continue providing a resource of web/online sites for herding supplies and accessories and facilities and support owners in locating facilities to instinct test and train;
- To assist owners in locating herding trainers to train their Kerries;
- To support local instinct testing when and where possible;
- To support and encourage owners to have Kerries individually instinct tested; to support owners in achieving AKC and AHBA herding titles;

USKBTC 2009 Herding Report

Page 2 of 2

- To provide articles and photos to Blueprints and encourage others to provide articles to Blueprints about Herding;
- Herding with our Irish Cousins, the Wheatens- Update: I have provided our petition and continue to meet with the **SCWTCA Soft Coated Wheaten Terrier Club of America** and the SCWTCSC to assist in their petition to the AKC to obtain herding titles. A Herding Day is scheduled for October 18, 2009, for AHBA titles and to film for their petition. The Wheatens have expressed their thanks for support from their Irish Cousins! They plan to submit their petition to the AKC this fall.
- **Early Herding Video:** Thanks to Chris Cagle for the 2001 and 2005 herding films for our herding archives. It's great to see our Kerries herding, we hope to have the capability to share the video online soon.

New Herding Titles

This year, three Kerries reported receiving AHBA titles. Congratulations to "Duncan", owned by Liz Myers, "Tynan", owned by Nancy and Paul Johnson and "Ashley", owned by Ron and Tia Hewlett on earning their HCT AHBA titles! These three dogs earned their first legs during the filming of the USKBTC herding video and are featured in the film, which supported our AKC petition in 2006.

Nine Kerries have reported to have earned first legs of their AHBA HCT titles. Congratulations to "Easty", owned by Diana and Will Harper, "Magee" owned by Suzie Pozzo- "Tommy", and "Kisses" owned by Carol and Richard Basler, "Kyla" and "Ziggy" owned by Elaine Randall, "Clancy" owned by Marsha Fink, "Butterfly Belle" owned by Peter O'Colmain, "Ciarnhac" owned by Ben Teller.

Herd On!

ing with several web designers on costs and design, and the plan is to have this up and running in the second half of 2010.

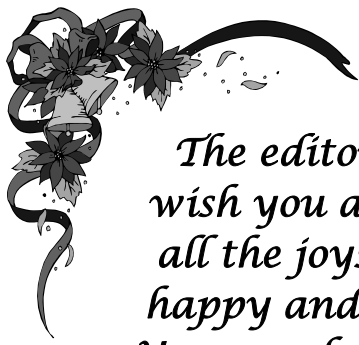

Work remains to be completed on combining all Performance Events under a performance committee. The plan is to roll the Versatility/Combined Awards system into that committee. Hopefully sufficient volunteers will be found willing to make this a reality.

Herding continues to grow in popularity and many members around the country are participating in events. Thank you Jann Lane for providing leadership, information and direction to those interested in herding.

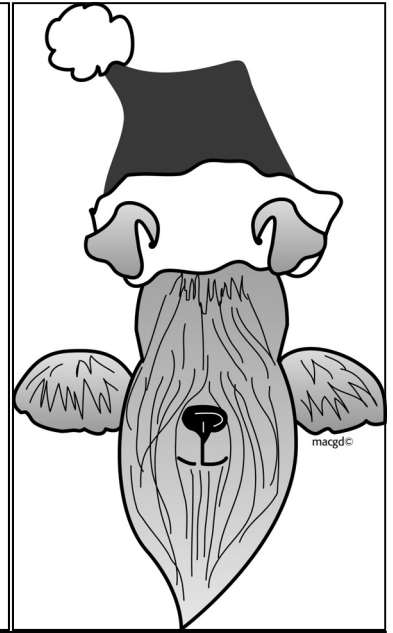

THANKS to ALL BOARD MEMBERS, COMMITTEE CHAIRS, MEMBERS and AFFILIATED club members and officers for their contributions to the KBT and their help and input during my tenure on the board.

The results of the 2009 vote for the USKBTC Board were as follows: Bob Nazak(184),William Kearney(183),John Garahan(152),Carol Wert(144),Lisa Frankland(133) and Stephanie Clark(98). The top five were elected. Thanks to everyone for volunteering to run and serve. The USKBTC is in good hands with such dedicated members on the board. PLEASE remember ALL of us are Stewards of The Breed and expected to ALWAYS act in the best interest of the breed. Last BUT not least ENJOY those Kerry's! They bring so much to our lives!

Lower Michigan KBTC Update!

In mid July, the Lower Michigan Kerry Blue Terrier Club met in Marshall, Michigan for three days of shows. The fairgrounds there are the oldest in the State of Michigan, are very well kept and a pleasant place to be. Thanks to everyone who helped us put our shows together.

Big thanks to June Hulit who sent us several really nice items for our raffle. Nice stuff, June! And, the vendors, wow, they were really generous to us.

Big thanks to Terry Worful for arriving a whole day early to save us nice spots for our RVs and for grooming next to the ring. We didn't get the shady area this year but we had a fine spot right outside the building we showed in. Very convenient. And, Terry tells me that she already has a plan to secure us the primo shade area for next year. Honestly, Terry does a bazillion things for our club.

Big thanks to an under-the-weather Monica Adair (and Kevin one would suppose) for planning a scavenger hunt for us. What a cool idea! Kevin will tell you how disappointed he was to learn that the Kerry in the Asphalt (just a pavement irregularity that for all the world looks like a Kerry head and neck) was paved over sometime since last year. Wouldn't something like that make for a great scavenger hunt?

To Sarah Lagassa and her brother, thanks for the

real bacon and real farm-fresh scrambled eggs. Oh yeah, we did not suffer for lack of food. Indigestion maybe, but not starvation.

Now, of course, this listing doesn't name everybody, and I apologize for missing a few, but just know that you are appreciated. As for me, what I appreciated most was the terrific conversations, some might say 'gossip', that we enjoyed before and after showing.

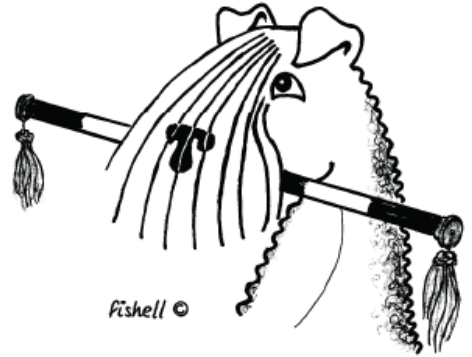

The LMKBTC adopted a Constitution and Bylaws at our annual meeting on Saturday, surely a big step forward for this young club. Other than the standard Constitution and Bylaws material, we deliberately included that one of our purposes is to have a Kerry good time. You know, friends, these clubs, including the USKBTC, must exist right in the middle of everyone's complicated lives. Think about it. We all have our private challenges, successes and troubles, but right in the midst of all of those we can still carve out time to enjoy our Kerry friends. Let's be sure to do that. Let's not let the complications of daily life rob us of the good times we can have, and the support we can find, among our Kerry friends. And what good friends they are!

2009 MONTGOMERY COUNTY ALL TERRIER AGILITY TRIAL

Each year in conjunction with the Montgomery County breed shows an All Terrier Agility Trial is held in Kimberton Pennsylvania. Held over the four days from Tuesday through Friday this show provides a chance for terriers from all over the country to show off their agility skills. For their handlers it's a great once a year visit with long distance friends.

Weather for this years trial was cloudy, cool and breezy. As expected by the handlers this weather brought out the high spirits our terriers are known for. Slightly more challenging for the handlers it was a joy to watch the dogs enjoying themselves.

There were 8 Kerries competing this year.

Kerry Blue Terriers

American Kennel Club
Agility Class

High Scoring for Tuesday and Wednesday went to Maggie Hall and Birdie. High scoring for Thursday and Friday went to Tracey Fulmer and Bailey. Tracey and Bailey also took top honors with High in Trial. Eve Fishell and Tonka were High Scoring Tuesday and Thursday for Preferred and High in Trial for Preferred.

Each year the caliber of our entry is improving. This was an unusual year in that we did not have any entries in the Novice and Open classes.

Four of the Kerries who competed in this trial are also going to the AKC Agility Invitational December 12 & 13 in Long Beach California. They are Tracey Fulmer and Bailey, Eve Fishell and Tide, Betty Richardson and Riley and Maggie Hall and Birdie.

I would like to thank everyone who exhibited for coming and showing off what our Kerries can do!

Our thanks to Tien Tran for taking such a wonderful photo of our Kerry Blue terriers and their owners relaxing after a fun day at Kimberton.

KERRY ME BACK

Ch. Bømel Embargo

Portrait of a MACH 3 Champion

A good partner is someone who listens - who is fun and exciting. This partner's voice might be strong and they most definitely should have their own ideas, but they're unfailingly loyal and always take care of you. My Kerry Blue Terrier, Gabby, is that type of partner.

On November 1st, 2009, Gabby (Keriland's Talk About Town) and I completed our third Masters Agility Championship. Working in a sea of Border Collies for so many years can sometimes make you discount your accomplishments, but when I look into the eyes of my incredibly hard working Kerry girl I truly appreciate everything she's been for me and all that we have done together.

Completing a MACH title takes, time, effort, skill and a crazy amount of stamina. It requires collecting what seems like endless speed points - 750 to be exact. It also demands that you to be perfect. You must run completely clean in both rounds of competition, on the same day - 20 times.

Just so we're clear, agility is not set up to qualify - it is most often a game of traps that must be solved at speed and the traps can catch you in the blink of an eye. There are only four Kerry Blues to ever achieve a MACH, two have done it twice and in her retirement run Gabby was the first to complete this challenge for the third time.

Gabby and I have been a team for over ten years. I started agility foundation classes on a whim, and soon realized I was hooked. Gabby has always had a strong work ethic and an even stronger desire for treats! The skills came easily for her from the very beginning - I assumed this was

normal, until I tried to train my other Kerry's to play the game and they have mocked me mercilessly!

We have had a great run, but it's time to leave the weave poles, tunnels and down contacts for some other super Kerry's to play with. Gabby will be twelve in December - she is truly in wonderful condition and I am so thankful that she is mine and I am hers. We will try our luck at obedience - although I'm expecting some major faults for Gabby's outspoken demeanor, but we're fierce and we can take it.

All the best to my Kerry agility friends and to all those who have been worried to give agility a try - go ahead and give it a go, you may find a partner you never knew you had.

A Word from Charitable Funds...

As many of you know the US Kerry Blue Charitable Fund was established in 2002. Its purpose was to serve the Kerry Blue Terrier in four important areas:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since the Fund was established we have worked diligently to build the assets of the Funds while undertaking major support of the PNA Research being done at the University of Missouri. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue. This is quite impressive, since our Fund is relatively new compared to other Parent Clubs whose equivalent organizations are often decades older than ours.

Our current objective is to continue to grow fund assets while undertaking occasional substantial support such as the PNA Grant. We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. The reality is that we must grow our financial resources substantially in order to having a meaningful impact and that means it will take many years to be in a position to have a significant impact on our core areas.

You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can make a difference!

CHIC Update

This is a list of all Kerries who have been assigned CHIC numbers, dating back nine years. As you can see, all of the dogs are listed as "new", since we have just joined CHIC. The list will be updated quarterly.

The requirements for a CHIC number for Kerries are an OFA hip X ray and an OFA eye evaluation. The information for both of these tests must be sent to the OFA, and the results do not have to be normal. The optional tests are the DNA (or blood) tests for vWD, Factor 11 Deficiency, and Degenerative Myelopathy (DM), and as for hips and eyes the results, which do not have to be clear, must be sent in to the OFA to be included in CHIC.

Participation in CHIC, as in OFA, is voluntary; one does not have to send in the OFA application form, or can elect to have only normal results published.

The OFA and CHIC databases will only be as good and valuable for breeding aids as the number of dogs included, and the results of their tests. Unfortunately most breeders or owners will not submit or publish abnormal results, which defeats the purpose of these databases. Breeders need to understand that carriers, or even affecteds, can be used for breeding, and that the information obtained from testing can be used by breeders to avoid producing affected puppies. The information should never be used in a "witch hunt" or to demean those that have had genetic problems in their bloodlines.

All organisms have "bad" genes; the tests that we have can help eliminate or reduce the incidence of those genes or conditions for which we can test, but only if breeders are up front about what is in their bloodlines. We all want healthy Kerries, and the wise use of testing and CHIC can help us attain that goal.

These simple tools can help researchers of serious canine diseases.

When your breed club members cut out and save package weight circles as Purina® Pro Club® members, and participate in the Purina® Parent Club Partnership (PPCP) Program, your club will begin to earn financial contributions from Purina and the Canine Health Foundation. You'll want to learn about all of the important details by contacting us soon. Breed clubs have already earned a total of almost \$1.2 million for their breeds' health studies, education programs and/or rescue efforts.

For complete details about how the PPCP Program works, call us toll-free at 1-800-778-3375, 9 a.m. to 4 p.m. CT, Mon.-Fri.; or e-mail us at purinappcp@purina.com. If you'd like to join Pro Club and participate in the PPCP, call toll-free 1-877-PRO-CLUB (1-877-776-2582), 7 a.m. to 5 p.m. CT, Mon.-Fri., or apply on-line at www.purinaproclub.com. Current Pro Club members can simply notify the Pro Club, by phone or e-mail, and tell them that they want to participate in the PPCP program.

Salmon Dog Cookies

1 can salmon (undrained)
4 eggs
4 Tbsp. black molasses
2 ½ cups whole –wheat flour
2 tsp. baking soda
At least 1 Tbsp. garlic powder
At least 1 Tbsp. onion powder
Wheat germ, optional
Brewers yeast, optional

Blend salmon, eggs and molasses together. Add dry ingredients, a little at a time, beating after each dry ingredient addition. Grease a cookie sheet. Spread mixture onto cookie sheet and bake for 30 minutes at 350 ° F. The mixture will have a paté texture. Take a cake icing spreader and spread a large spoonful at a time onto the baking sheet. If you place entire mixture on the sheet at one time, it's much harder to spread.

Liver Brownie

1 lb. liver (chicken is easier to purée)
2 eggs
1 pkt. dry onion or beefy onion soup
1 tsp. garlic powder
3 cups oatmeal
Garlic salt (optional)

Purée liver in blender or food processor. Mix in eggs, dry soup and garlic powder or crushed garlic. When mixed, add oatmeal and mix well. On a well greased cookie sheet, spread mixture evenly to the thickness of a brownie. Bake at 250 ° F for 1 hour. Remove from oven and sprinkle with garlic salt. Cut immediately and freeze in baggies.

GOVERNOR VETOES AB 241 NAVA/HSUS BILL NOT SIGNED

On Sunday, October 12th Governor Arnold Schwarzenegger vetoed AB241 and issued this statement:

To the Members of the California State Assembly:

I am returning Assembly Bill 241 without my signature.

This measure would make it a crime for any person or entity to own or control more than 50 unsterilized adult dogs or cats for breeding or raising for sale as pets. I support measures designed to prevent animal cruelty and that punish persons engaged in the abuse of animals. However, this measure simply goes too far in an attempt to address the serious problem of puppy mills. An arbi-

trary cap on the number of animals any entity can possess throughout the state will not end unlawful, inhumane breeding practices. Instead this measure has the potential to criminalize the lawful activities of reputable breeders, pet stores, kennels, and charitable organizations engaged in raising service and assistance dogs. For these reasons, I am unable to sign this bill.

Sincerely,
Arnold Schwarzenegger

AB 241 would have had a devastating effect on Canine Companions for Independence and Guide Dogs for the Blind. It would have made the most responsible breeders, the ones who stay on as co-owners for the life of all dogs they place so they can be responsible, criminals. And it established the age of an adult dog as 4 months. In many breeds they have not even gone home by that time.

We applaud the Governor's action.

Louisville Kennel Club Lawsuit Decided! Saturday, October 3, 2009, 11:44 AM

This past Friday, very late in the day, the federal judge finally issued his decision in the case of Louisville Kennel Club, et al vs. Metro Government.

The final ruling ran to over 20 pages and will have sweeping impact on a national level as well as here in Louisville, which was always part of our strategy. Below is the notice from LKC President, Donna Herzig, which clarifies some of the decision:

"This is a great decision. Judge Simpson found that the determination between altered and unaltered dogs is without merit and therefore the requirement of inspection of enclosures for unaltered dogs by Animal Control is unconstitutional.

"He additionally found that dogs are personal property [under the 14th Amendment to the US Constitution] , and the requirement of a seizure bond (where you must post a bond upon a showing of probable cause and if you cannot post the bond your animals become the property of the state, city etc.)is unconstitutional and a finding of guilt must occur before a court can take your property.

"The judge issued an injunction prohibiting the city from enforcing these provisions.

"With respect to the Fourth Amendment issue, the Court dismissed it because the city agreed with us. However, the Court spent a lot of time discussing the Fourth Amendment and stated that notwithstanding the ordinance seeming to allow for seizure without a warrant for tethering violations, for some cruelty issues and for any

violation of the ordinance (a provision used by Meloche to seize animals for violations of his alleged Class A requirements) the Court rea

soned that no ordinance provision nullifies a warrant requirement so as to those seizures LMAS must obtain a warrant prior to seizure.

"Moreover, while the Court did not strike down many of the definitions, it could have just left it at that. Instead the Court went point by point and clarified the statute as to what was permissible and what wasn't .

"Notwithstanding the story in the Courier Journal--I am not sure that they read the same opinion--we had a major victory on the issues that matter on a national basis.

"While Judge Simpson did not deal with the state issue, the veterinary issue which was the most important one, was addressed by a recent change in the state law which makes veterinary records confidential and does not permit release of them unless a court order is issued or the owner gives consent in writing.

"Since we prevailed on our Sec. 1983 issues, we will file next week for attorney's fees which are mandatory under the statute. We are hopeful that we will receive a substantial reimbursement. "

A big 'Thank you!' to every individual and every club that donated to our legal fund. This has been a great victory on the most substantive issues possible, and opens the door to citizens everywhere being able to sue for damages against similar ordinances.

Kerry Blue Biscuits

2 ½ cups whole-wheat flour
2 ½ cups white flour
½ tsp. baking soda
1 egg
¼ cup oil
1 cup peanut butter
2 tsp. vanilla
Water

Combine dry ingredients. Add remaining ingredients and mix thoroughly. Add 1 teaspoon of water at a time until stiff dough forms. Form into 2 (2-inch) logs and put on a greased pan. Flatten logs to 1 inch high and 6 to 7 inches long. Bake at 325° F for 30 minutes. Cool for 20 minutes. Cut into ½ inch slices. Return slices to pan and bake at 325° F for another 20 minutes or until golden brown. Store in airtight container or plastic bags.

Our Famous Bourbon Garlic Liver Recipe

1 lb. liver (calf, beef or chicken)
2 oz. bourbon (dog variety, less than \$10 a quart)
1 tsp. garlic powder (or more to taste)
Water
2 qt. Saucepan
Foil covered cookie sheet

Rinse liver and place in pan. Cover with water and sprinkle in garlic. Slosh in bourbon and bring to a simmer. Simmer gently for 15 minutes and then turn off. Let stand for 20 minutes to infuse liver with maximum bourbon flavor. Remove liver, drain and place on foil lined sheet. Place in 200° F oven for 30 minutes. Turn and leave in 10 minutes more or until dry enough to put in pocket. Remove and let cool. Do not carbonize.

United States Kerry Blue Terrier Club Versatility Awards

The mission of this awards program is to recognize the versatility of the Kerry Blue Terrier and recognize United States Kerry Blue Terrier members and their dogs upon achieving titles in more than one discipline of competition. Current USKBTC membership is necessary to be eligible for this awards program.

List of Disciplines eligible for awards:

AKC Agility Title

AKC Conformation Title

Earth Dog/Hunting Title: Hunting Certificate (HC) awarded by American Working Terrier Association*

Fly Ball Title: Flyball Dog Champion (FDCH) awarded by the North American Flyball Association*

Herding Trial Dog Title: AKC Herding Tested (HT) or Pre-Trial Tested (PT) or Herding Capability Title (HCT) awarded by American Herding Breeds Association

AKC Obedience Title (CD or higher, RA (Rally Advanced) or higher)

AKC Tracking Title

**AKC title will be eligible when approved*

Eligible dogs will be submitted for award(s) by owner(s) in the following manner: Properly filled in application including:

Enclosure of a photocopy of earned titles as required

Enclosure of comments or brief biography of dog's accomplishments which will be published in the Blueprints (subject to editing) along with award presented, including name of owner(s) and breeder(s). Photos may be sent by owner for inclusion in the awards issue of Blueprints printed subject to room available.

Award applications will be accepted within the following fiscal year time period: July 31 to July 31. Members will submit applications during this time period. Those applications received after this time period will be held over for the next year for qualification and presentation. Award presentation will be made at the Annual General Meeting in October (Montgomery County). Awards not presented at the AGM will be mailed to recipients.

ACTUAL AWARD: The award will be a certificate suitable for framing signed by the president of the club and Versatility committee representative to include the following information:

The name: **United States Kerry Blue Terrier Club Versatility Award**

The name of the Award tier (see below)

The registered name of the dog (with all titles, as the owner wishes it to appear on award)

The name of the owner(s) of record (at least ONE owner must be a current USKBTC member)

The date the Award is presented

ONE certificate will be presented per dog for each award tier.

A keepsake memento commemorating the award will be awarded at the club's discretion.

Award tier structure is as follows:

The Bronze Award is presented to the Kerry Blue Terrier earning titles in two different disciplines.

The Silver Award is presented to the Kerry Blue Terrier earning titles in three different disciplines

The Gold Award is presented to the Kerry Blue Terrier earning titles in four different disciplines

The Platinum Award is presented to the Kerry Blue Terrier earning titles in five different disciplines

The Emerald Award is presented to the Kerry Blue Terrier earning titles in six different disciplines

The Diamond Award is presented to the Kerry Blue Terrier earning titles in seven different disciplines

*** Please Note: Canine Good Citizen (CGC) Temperament Testing (TT) and Therapy Dog Test (TDI) along with other temperament test certifications are not considered competitive titles. Therefore they do not qualify as eligible disciplines for these awards. These titles may be included in the dog's name as stated on Award should the owner wish them. The owner is responsible for submitting the dog's name as it should appear on the award.**

NOTE: Accomplishing any of these disciplines may take more than one fiscal year to achieve. Therefore the applicant may submit an application along with proof of awards at any time in the dog's competitive life provided that he/she submit the application by the prescribed fiscal year deadline to qualify for that year's award presentations. A separate award and certificate will be awarded for each additional discipline tier achieved no matter what time frame is required to achieve that award. Example: Dog A is already a Ch., CDX, TD. Therefore he will immediately qualify under (3) disciplines (conformation, obedience, tracking) making the dog eligible to receive (2) awards (Bronze and Silver) from the club.

SPECIAL NOTE: To recognize those members who have achieved multiple disciplines in the past with their dogs, awards will be offered to eligible title holders (with proper application and proof of title) retroactive back to and including the year 1995. All titles (as listed above) earned are eligible for tier qualification provided that dog has earned at least ONE discipline title after 1995.

**THE UNITED STATES KERRY BLUE TERRIER CLUB
CODE OF ETHICS**

This document defines the ethical standards to which we ascribe as a condition of membership in the United States Kerry Blue Terrier Club (USKBTC). Membership is a privilege conferred by the Board of Governors, acting for the Membership, upon those individuals who meet the high standards set forth in the Club Constitution and Bylaws and this Code. As members, we are individually charged with complying with this code and demanding similar compliance of all other members. We must hold the interest of the Kerry Blue Terrier superior to our own in exercising the responsibilities that accompany the privileges of membership.

I. RESPONSIBILITIES AS A MEMBER

- Members of the USKBTC, as Stewards to the breed, have the obligation to protect and serve the best interests of the Kerry Blue Terrier at all times. A member's every action should reflect credit on themselves, the USKBTC and, above all, the Kerry Blue Terrier.
- The approved standard for the breed is the fundamental imperative guiding our actions. Members have the obligation to protect and serve these standards as a condition of membership.
- Members must be familiar with and comply with the rules of the American Kennel Club (AKC); the Constitution and By-laws of the USKBTC; and (as appropriate) the rules established by any member club of the USKBTC.
- Members will observe the highest standards of conduct and sportsmanship at all times. Whether as a breeder, exhibitor, or spectator, they shall conduct themselves in a manner that reflects positively on the Kerry Blue Terrier, dogs in general, and the sport of showing dogs.

- Members shall maintain the highest standards of health and sanitation for their own Kerry Blue Terriers, as well as for any other animals in their possession or entrusted to their care. They shall demand the same high standards of others, members and non-members alike.

II. RESPONSIBILITIES AS A BREEDER

A Breeder shall:

- Be guided at all times by the approved standard for the Kerry Blue Terrier and shall consider breeding only those specimens that conform to the standard.
- When contemplating breeding a litter or providing the services of a stud dog, strive toward maintaining breed type and producing dogs of exceptional quality, temperament, and condition. Breeding or supporting breeding to a lesser standard is not acceptable.
- Use for breeding only those dogs that are healthy and free from serious congenital and hereditary defects. Refrain from further use, any bitch or stud dog that has developed such a health problem or produced any serious inherited defects detrimental to the offspring and the overall well being of the breed.
- Not use a bitch for breeding prior to reaching eighteen (18) months of age (preferably 24 months) or older than eight (8) years of age. A bitch should not be bred more than two (2) out of three (3) consecutive heat cycles, nor produce more than five (5) litters in her lifetime. Recognizing the variations in heat cycles and sizes of litters, valid exceptions may exist, however it is incumbent on the breeder to exercise good judgment in exercising such exceptions.
- Not sell puppies to pet shops either outright or on consignment; supply puppies for auctions, raffles, or other such activities; refrain from selling to persons whose intention (either known or suspected) is to resell or use the puppy in a breeding program not complying with this code of ethics. The breeder shall ensure that the prospective buyer is prepared to provide the same degree of care required of members of the USKBTC. The Code of Ethics should be provided and discussed with potential buyers as part of a thorough screening process. All buyers should be encouraged to become members of the USKBTC and member clubs.
- Promptly apply for AKC registration of the litter. Puppies should not be sold prior to reaching ten (10) weeks of age (preferably 12 weeks). The sale of every dog shall include a signed registration or registration application (Blue Slip), and a four-generation pedigree. Any exceptions to these requirements, or valid restrictions or limitations imposed as conditions to the sale (e.g., no breeding) must be agreed to in writing by both parties at the time of sale. It is strongly recommended that a written agreement accompany all sales. Buyers should be provided with assistance and support in the setting of ears and in learning proper grooming. If the buyer is not located in the same area, the breeder should make arrangements with another USKBTC member in that area to assist the new owner.
- Provide with each sale, a record of dated and types of immunization given, immunizations required, and veterinary health records. Instructions should be provided, preferably in writing, on diseases and hereditary factors related to the breed, proper medical care, feeding, and grooming. Providing a copy of the current USKBTC Handbook represents a means of conveying this type of information, and is a sound investment on the part of the breeder. No puppy should be sold without either temporary or permanent protection against distemper-hepatitis and parvo. Puppies should have a veterinary examination, and worming if required, before sale.
- Maintain accurate and complete records of stock, matings, pedigrees, show records, and transfers. Breeders are responsible for conducting research on their pedigrees to ensure correct ancestry, accurate spelling of names, and correct registration numbers. Breeders should be familiar with and comply with all record keeping requirements required by the AKC. Litter registration applications must be correct and promptly requested. Individual puppy registration should be completed in a timely manner.
- Shall not engage in false or misleading advertising or other misrepresentations with respect to their own breeding. They shall not malign others by making false or misleading statements regarding another member's dogs, breeding practices, or person. Advertising should not be worded to attract undesirable buyers nor encourage raising dogs for profit.
- Consider the growing problems related to excess dogs ending up in animal shelters and should exercise sound judgment and prudent restraint in their breeding programs. Litters should be limited to numbers that are consistent with achieving a sound breeding program and the best interests of the Kerry Blue Terrier.
- **Be prepared to assume lifetime responsibility for any litter produced.**

III. RESPONSIBILITIES AS AN EXHIBITOR OR HANDLER

- Act professionally at all times in caring for and exhibiting any dog in your charge.
- Do not engage in any questionable contact with judges prior to exhibiting under them.
- Comply with AKC Rules and Regulations for Dog Shows, Obedience Trials, Field Trials, and The Guidelines for Dog Show Judges.
- Exhibit or handle only those dogs that conform as closely as possible to the approved standard.
- Do not indulge in the practice of making "kennel majors", or exhibiting filler dogs that they know themselves to be unworthy of championships, for the purpose of finishing dogs. Such practices lessen the meaning and value of a championship and do not serve the breed.

IV. ENFORCEMENT

- The USKBTC expects adherence to this Code of Ethics and blatant disregard of these standards will not be condoned. Violations of the standards are not in the best interests of the Club or the breed. Such behavior can serve as a cause of imposing discipline or terminating membership if charges are brought before the Board of Governors in accordance with the procedures as defined in Article VI (Discipline) of the USKBTC Constitution and Bylaws.
- Article VI addresses the specific procedures for proffering charges; the hearing process; and the rights of the parties involved. Each member is expected to be fully familiar with this very important provision of the By-laws.
