*OMG! I am the USKBTC President...BREATHE!*

That's what I keep telling myself. I am not sure exactly what I have agreed to, but I do know the reason. It is, of course, the beloved Kerry Blue Terriers. These dogs, every one of them, are nothing short of amazing, smart and beautiful. We as a parent club need to do whatever we can to ensure this breed's integrity, well-being and future. I am excited to be part of a group of compassionate people who feel the same way and will work for the members of the USKBTC as well as for the Kerries.

Hatboro and Montgomery County are one for the books. Macungie Memorial Park, Hatboro's location for this year, was beautiful. The days were warm and sunny and the Kerries were stunning throughout the week. Saturday's Futurity brought wind and some rain, but the puppies proved to be true to the breed and showed like pros. Sunday brought more rain and wind for the 87 entries. Fortunately it cleared up for the Best in Group that afternoon. Congratulations to all. Look for the results in this issue of Blueprints!

There has been quite a lot happening in the USKBTC; one big change is the passage of the updated By-Laws pending AKC board approval in January. Bonnie Whelehan, Laura Rybski and Ellen Burrows were sequestered to count the ballots during the Hatboro show. The changes passed 138 - Yes to 42 - No. The biggest change is the abolishment of Board member term limits. The thinking behind this move simply allows those people dedicated and willing to serve the club to continue to do so. Everyone's lives are busy and their days are too short. Being on the Board is both a privilege as well as work and time consuming. We would welcome anyone who would like to volunteer. Thanks to all who cast their ballots and to Bonnie, Laura and Ellen for counting those ballots.

***NOW...ON TO SOME BREAKING NEWS!***

Imagine three days filled with Specialties, Companion events and Gatherings at a state-of-the-art show facility. KERRYFEST will premier May 5th, 6th and 7th, 2017 at Purina Farm just outside of St Louis! The KBTC of St Louis is officially moving their September Specialty to coincide with Kerryfest. They will be hosting 2 specialties. One on Friday and the second on Sunday.

Saturday will bring two more specialties. The USKBTC Traveling, which will be "parked" here for three years. After the three years, the dates and the site will be re-evaluated and a decision will be made whether to stay with this venue or change. The second Saturday specialty will be a Concurrent event for a total of 4 Specialties in 3 days!

***AND...THERE'S MORE!***

Friday evening plans include a buffet dinner and drinks upstairs in the Founder's Room featuring a Challenge of Champions. This is a prestigious competition open to all Kerry Blue Terriers who have achieved a Championship title much like a Top Twenty. Saturday evening plans include a light dinner and cocktails with good friends. It will give everyone time to socialize and relax.

Kerryfest will certainly have something for everyone. We will also be offering Barn Hunt trials and Instinct Testing during the weekend. So mark your calendars and plan to attend. There will be more to come in the next Blueprints.

In the meantime, I would like to wish all the happiest of holidays and good luck to those attending the AKC Championship in Orlando.

Keep Calm and Kerry On  
Melanie

# **To The Membership:**

*The purpose of publishing the "Proposed Member" is to give the membership the opportunity to review applicants and comment, if they so desire, in support of, or opposition to, said applicants membership. Correspondence in support of and/or opposition to the membership, should be directed to the Membership Chair within 30 days after publication of said applicant. **USKBTC Membership Chair: Mary A. McGreevy, 25 New Castle Drive, Charles Town, WV 25414.***

Any correspondence received during that time period will be attached to the ballots which are forwarded to the Board of Governors for the voting process.

### **A Letter from the Editor...**

*Although the calendar page reads November, today feels more like summer following on the heels of a summer of record breaking heat. It seems like only a few weeks ago that the show season was shifting into high gear, but our National specialty weekend is now a memory in the rear view mirror. Time flies! Before you know it, 2017 will be here with all its promise of new adventure.*

*We're happy to report that advertising rates for Blueprints have remained stable for the coming year. We've received many very positive comments about the addition of color and new look. Please consider supporting the Kerry blue terrier and the club by advertising your canine companion's accomplishments in Blueprints, whether they are in the conformation ring, companion events or the whelping box. What better way to publicize that potential sire or that planned breeding?*

*It has been a year of changes for many of our chapter clubs around the country. The Philadelphia club changed their Chapter Club specialty dates and venue; Pittsburgh is changing their location for the coming year as well. In Spring 2017, St. Louis will do the same when they move to Purina Farms the first weekend of May to stand with the USKBTC **KerryFest** regional specialty. After much discussion about fewer active chapter club volunteers all around the country and declining entry numbers, it was decided that making Purina Farms the permanent location of what has traditionally been known as the Traveling Specialty was an option that made sense both economically and geographically. So mark your calendars, and plan to attend this weekend with **FOUR** opportunities for majors!*

*And now for a few serious questions ~ Do you love this breed? Do you want to see it thrive? How do **YOU** give back? Please consider taking time to volunteer with your local chapter clubs in some capacity. It takes the efforts of **MANY** people to put on specialty shows, help with performance events, and sponsor educational and social events. Without your participation and support, events of all kinds don't happen and clubs fade away. Don't let that happen to your club! Help make the USKBTC and our chapter clubs strong and active by volunteering, reaching out to welcome newcomers, and spreading the word about this truly versatile breed!*

*Last but not least ~ pull out the enclosed **dues insert**, write your check for membership dues and **RENEW TODAY!** And don't forget how important it is to make those donations to Charitable Funds, Hospitality and to the Trophy Fund.*

*Until next time. . .*

Janie MacBryde  
Blueprints Editor

### **United States Kerry Blue Terrier Club**

Membership dues  
for 2017

Family \$40  
Single \$30

**Due by January 1,  
2017**

*The editors of Blueprints wish you  
and your families all the joys of the  
season, a happy and prosperous New  
Year, and success in all your Kerry  
adventures in the coming year!*

KerryFest. 2017

Make plans NOW to attend the  
**USKBTC's  
KerryFest 2017!**

May 5th, 6th and 7th  
at Purina Farms, St Louis Mo

## 2016 Versatility Award Recipients

The USKBTC's Versatility Award program was started in 2005 to recognize members' Kerry Blue Terriers who have exemplified the breed's reputation as "a canine jack-of-all-trades and a master at most" by earning titles in two or more eligible areas. There are currently seven achievement levels (Bronze through Blue Diamond) that are awarded for attaining titles in two or more of eight different areas: conformation, obedience, agility, rally, tracking, herding, barn hunt (formerly earth dog) and miscellaneous (approved titles from events that do not fit into any of the categories). One Kerry blue terrier applied for and earned a certificate, which was mailed to them since they could not attend the dinner.

This year's recipient is:

**BRONZE TIER** (titles in two eligible disciplines)

**CH Diana's Knick Knack Paddy Wack RATO, owned and bred by David and Teri Poynter**

Xena, CH Diana's Knick Knack Paddy Wack RATO, has incredible conformation and movement... combined with a great temperament, personality and hunt drive. Xena has a very passionate terrier spirit and gives 110% in everything she does. She has completed her AKC Championship and completed Instinct, Novice and Open Barn Hunt Titles. At five months, she was introduced to goats and loved the herding experience. She later passed the AKC Herding Instinct Test. Early positive experiences and socialization supported development of working instincts and hunt drive. Xena has also whelped three litters of pups and is a great mother.

Titles and accolades are nice, but it is the journey that matters in the end. I have had so much fun with Xena. She is a great dog and we have a very special connection. Our plans are to continue Barn Hunt activities and perhaps herding and/or agility next. I want to thank the USKBTC for awards that support and encourage multiple activities that demonstrate the versatility and utility of the Kerry Blue Terrier.

*Does your Kerry exemplify the breed's description of being a "canine Jack of all trades and a master at most?" The eligibility requirements and application form for the USKBTC Versatility Awards are available in this issue of Blueprints and on the USKBTC website, and can be submitted anytime within 5 years of your Kerry earning its last eligible title.*

Kerry Banners with specific links to large graphic files have been added to the USKBTC website. The larger files will allow people to have more details needed for clearer reproduction of each graphic.

The specific article link on the USKBTC website is <http://www.uskbtc.com/article.php/516>. We encourage our chapter clubs to take advantage of these eye-catching banners for your upcoming specialty shows!

# Comments from Judge Bill McFadden

*To say I was thrilled to be invited to judge the Kerry National would be an understatement! For some reason this breed has been woven into the fabric of my life and I can't imagine where I would be without it or the people and friendships that I have accumulated along the way.*

I may have been the only person that was happy with the light rain that greeted us Sunday morning. It is my favorite weather to show Kerries in and I took it as a good omen as I began my assignment.

I was pleasantly surprised that we had no absentee's in the classes and only three in the Specials ring. Having a full complement makes it more fun to sort through and more likely that I would find dogs I liked. I was really happy to see for the most part good color in all shades of blue-grey, beautiful bites with full dentition and large teeth and good feet. I was also happy generally with the size being within acceptable standard range.

My Winners Dog, Torum's Calico Jack at Irisblu was a beautifully coated dog, with a hard muscled body and an up on his toes demeanor. He had a handsome head and lovely ears and eyes. He more than asked for the win.

Reserve Winners Dog was a young dog from the Bred By Exhibitor Class Lughnasa's Court Jester. He was also lovely coated and was a very nice mover.

Winners Bitch, Best of Winners and Best of Opposite Sex, Cross the Rubicon Hummingbird was a knockout from the Bred-By Exhibitor class. She had the most beautiful silver-blue coat with dark points, a beautiful outline, gorgeous head and ears and she most definitely wanted to be there. Her movement once she settled down was very good. I truly loved her perfect size. She made my day!!

Reserve Winners Bitch was from the 15-18 class Tontine's American Brit. She caught my eye immediately with her beautiful head and classic outline. We had to work through some handling/ moving exercises but I feel she has a bright future and with some training will have many good wins.

The Specials class was such a sight and caused me to get a little choked up. It was truly an honor and I appreciated the time, talent and expense to bring that many dogs to show to me!

It was a lot to sort through and once I had gone through both sexes and made my initial cuts I realized I didn't have a winner in my head. So I thought about it for a second and I realized there was a dog that was so correct and fit and every time I glanced around the ring I was aware of him. He was shown by someone that I vaguely recognized but would not have been able to come up with her name had I tried. He was shown in such a quietly perfect way that I appreciated very much.

*After moving each dog again I realized that I had four dogs that were really in contention. Two lovely dogs and two gorgeous bitches.*

I will say that I did consider giving my Winners Bitch the Breed as I like her that much. In the end went with GGHS Krisma's Xman First Class as my Best of Breed Winner followed by Winners Bitch, Best of Winners and Best of Opposite Sex, Cross the Rubicon Hummingbird. My Select Dog also so very handsome and shown perfectly was GCH Goodspice Brody Knight. My Select Bitch was another beauty that turns out is litter sister to the Winners Bitch, her name GCH Cross the Rubicon Hex Breaker.

These four were truly first class and I am so happy to have had this quality to work with.

My Awards of Merit were:

Ch Melbee's Main Event - Dog

GCH Bluebeard's Barnum - Dog

Torum's Calico Jack at Irisblu - Winners Dog

Ch Irisblu Boston Rose at Torum - Bitch

GCH Saredon Shock Waves of Irisblu - Veteran Bitch

Ch Krisma-Beltane's Whistlin' Dixie - Bitch

There were several more that I really liked and just did not have the ribbons for.

I also want to mention the Veteran dog winner that was in such beautiful condition physically, mentally and coat-wise Ch Echo of Aran Cross the Rubicon. I really appreciated seeing him looking so fit at 11 1/2.

Thank you all for such an important day for me! It was pure joy the entire day!!

Also thank you to my Stewards who were so easy to work with Lisa Kunze and JoAnne M. Buehler. I very much appreciate you keeping me organized.

## Holiday Celebrations and Your Kerry

Holiday celebrations all around the year often center on food shared with family and friends, whether it's a cook-out in the summer or a family feast at Thanksgiving or Christmas. And since our beloved pets are considered part of our family, there is great temptation to share the foods we eat with them. But use caution, since many of these rich foods can trigger serious gastrointestinal problems for a dog or cat. Foods high in fats, sugars and spices definitely aren't the usual fare for our companions, and can cause problems such as *pancreatitis*, *gastritis* or *enteritis*, requiring a trip to the vet.

The list of foods which could be harmful may be found on the USKBTC website: <http://www.uskbtc.com/about-kerries/living-with-kerries/caution-in-the-kitchen/>, but I will list a few of them here: onions, garlic, chocolate, macadamia nuts, grapes and raisins, raw salmon, avocados, and any foods that contain excessive salt or are high in fat. If you really want to share your food, vets recommend offering very small portions of lean turkey or ham.

Other hazards not to be overlooked are bones from cooked poultry, strings used to tie roasts and the holiday bird, any food that has been sitting out for more than 40 minutes at room temperature, and the garbage can! The wonderful aromas from the garbage can may be more than your Kerry companion can resist, so keep that in mind as you're cleaning up after your celebrations. Make sure trash containers are "dog proof" and secure.

One final item I will include here is the sweetener **xylitol**, which is often found in sugarless gum and candies. This toxin can cause liver damage, so keep that in mind when visitors arrive and stash visitor's coats and purses in a place inaccessible to pets. Better to be safe than sorry. With a little planning, one and all can enjoy a wonderful holiday celebration at any time of year and include the family pets.

Questions about possible toxicities should be directed to the National Animal Poison Control Center at the University of Illinois (1-800-548-2423) or to the ASPCA Animal Poison Control Center (1-888-426-4435).

Janie MacBryde

# Can you imagine... *Your Kerry in color* in the pages of Blueprints!

Future issues of Blueprints will have a new look for a new year.  
Please support your breed magazine by advertising your wins, new champions or  
titleholders, litters and member club activities and specialties.

The new color ad rates, as well as the black and white ad rates are listed below.

## Introductory Rates for First Year

### Front Covers

complimentary to US Club member winners  
of BOB National Specialty, BOB Traveling  
Specialty, and Best in Futurity with purchase  
of any inside page ad.

\*Front Covers for Non-members winners - \$300

**Back Cover** - color: \$200

**Inside Front Cover** - color: \$125

**Inside Back Cover** - color: \$125

**Single page** – color - \$100

**Single page B/W** - \$60

**Gallery of Winners** - black and white: No Charge

**Business Card Listing** - \$40 per year

**Commercial rates** – color – \$125

**Commercial rates B/W** - \$75

## Have You Checked the New USKBTC Website?

<http://www.uskbtc.com>

### Things to Check

- Your contact information in the password protected USKBTC Membership Database is correct, as requested.
- The password for USKBTC members to view the full membership database is **membership411**
- Your contact information in the Breeders' Database, open to anyone using the Internet, is correct.
- You have renewed your personal uskbtc.com connected website. ([uskbtc.com/yourkennelnamehere](http://uskbtc.com/yourkennelnamehere)). Renewals (\$35), can be mailed in to Julee Manahan or you can use Paypal and pay online.
- Do you have litter information that you would like added to the "Kerries Available" section of the website? (*Pictures of the sire and dam can now be included.*)
- Do you have an older dog or is there a rescue dog that you want added to the "Kerries Available" section of the website? (*Picture of the older dog or the rescue dog can now be included next to the listing.*)
- Has your Chapter Club's event information been sent in to be viewed under "Events & Activities" on the website?
- Chapter Clubs, have you checked that all the contact information for your club is listed correctly. Updates to Board of Directors and their emails may be needed.
- If you have any issues with the website or if you need any additions or changes made, please contact Carol Kearney, USKBTC Website Editor at [heritagekerry@optonline.net](mailto:heritagekerry@optonline.net).

### Have You Seen Some of the NEW Additions to the Website?

- Did you know that the older issues of Blueprints can now be viewed online? (*Issues for the current year will not be placed online until the year has ended.*)
- Have you tried to complete the crossword puzzles or the picture puzzle in the "Events & Activities" section of the site?
- Did you see the breed video under "About Kerries/Characteristics of the Breed/Kerry Video on Standard?"
- Did you know that some of the latest announcements can be highlighted in the NEWS sections on the home page?

CH. GLOUNTHANE HERO  
(Kerry Blue Terrier)

Owned by  
FRANCES G. DAY  
Bedford Hills, New York

PUBLISHED OFFICIALLY by

the AMERICAN KENNEL CLUB

## ***A Word from Charitable Funds...***

The USKBTC Board of Governors established the US Kerry Blue Charitable Funds, Inc. in 2002, a 501(c)(3) non-profit under the U.S. Internal Revenue Code. The USKBTC is the official organization recognized by the AKC with responsibility for protecting and promoting the Kerry Blue terrier in the United States. Establishment of the Fund occurred after a lengthy and thorough evaluation of the status of the breed in the U.S. and the recognition that strategies were needed to ensure the long-term well-being of the Kerry Blue terrier.

The goal of the Fund is to provide, in perpetuity, a safe, secure means for breeders, exhibitors, owners and friends to contribute financial support for Kerry Blue Terriers. The Fund is independent of the USKBTC Board of Governors, but linked to our governing board through interlocking directorates. This arrangement assures that Charitable Funds will be a permanent giving option to the Kerry fancy, but will be buffered from the ebb and flow of fancier personalities and politics.

There are four active funds to serve the Kerry Blue Terrier in the Charitable Funds portfolio:

- 1) Rescue Fund** – this fund supports grants used to provide Kerry Blue Terrier rescue services.
- 2) Health and Genetics Fund** - this fund makes grants in support of research in areas of health and genetics of particular importance to the Kerry Blue Terrier.
- 3) Education Fund** – the education fund supports education of all those interested in the Kerry Blue Terrier including publications, websites, and seminars.
- 4) General Fund** – donations to this fund are used to support the work of the other funds through internal grants to those funds. Undesignated gifts will initially be held in this fund.

Since Charitable Funds was established, those who love this breed have worked diligently to build its assets. The USKBTC undertook major support of the PNA Research being done at the University of Missouri, and contributors finally received welcome news of a test for this dreaded disease. To date we have awarded over \$20,000 in grants to support Health and Genetics, Education, and Rescue ~ all thanks to your donations.

We believe there is much still to be done. While we know the Kerry as a healthy breed, we also know those who have lost a Kerry to cancer. We hope to make a difference going forward through joint efforts with genetics laboratories and research facilities. Helping the Kerry Blue flourish is still the #1 goal of Charitable Funds.

Our committee has many goals. The first is to communicate more efficiently through a newsletter posted to the USKBTC website on a monthly basis and emailed to those wishing to receive it, informing all about where donations are being utilized. We must also grow our financial resources substantially in order to have meaningful impact. Please consider ways you can help ~ whether through bake sales at dog shows, using AMAZON Smile, purchasing CF logo items on the website, or generous donations when you renew club dues. EVERY donation makes a difference for our Kerry blues that never stop giving to us!

We believe the real key to long term growth will be planned giving that includes the Funds in the wills of our members. Other comparable organizations have used this method as the key to growing their assets. You can help by considering making the Funds one of the recipients of your estate. In addition, support an area of interest today. We have grown our asset base through small gifts and that will be crucial to our future.

Feel free to contact any Board member for more information on how **you** can help Charitable Funds make a real difference!

*Blueprints Fall/Winter 2016-2017*

Hello USKBTC Members,

I am writing this short note to introduce myself to those who I have not met and update those who I have in my travels covering 3,000 plus miles driven introducing USKBTC logoed product!

It all started with a conversation saying it would be nice to have a hat with the USKBTC logo and with my travels to the Chicago Traveling Specialty, Hatboro and Montgomery Dog Show in 2015 over \$3,000 was raised with 100% of all profits on merchandise going to Charitable Funds. Personally, it has been a great experience for me being able to meet new friends and learn so much just by watching and listening.

This year I have only been able to attend the Montgomery Dog Show and enthusiastically introduced some new items including a 90<sup>th</sup> Anniversary Tumbler that was a big hit. For those who were unable to see me at these locations, please check out the logoed items in the merchandise area of the USKBTC web-site home page.

One of the goals set by Charitable Funds after our meeting October 8, 2016, is increasing awareness with better communication. We will be working as a group to act on projects to promote the Kerry Blue Terrier and look forward to sharing those ideas in the near future.

I would like to take this opportunity to thank all listed below that have supported my efforts in purchasing USKBTC logoed product and supporting Charitable Funds. Let's continue to work together to promote and protect the Kerry Blue Terrier.

Thank you all,  
Jean Waters

# CANINE INFLUENZA

Dr. Yvonne Costa DVM

*The canine influenza virus has caused much concern, and at times chaos, within the community of dog owners and for all of those involved in the animal care professions. This article aims to bring clarification as to what these viruses are and what can we do to protect our dogs.*

There are two kinds of influenza viruses that can afflict dogs - the H3N8 and the H3N2. The H3N8 virus was first found among racing Greyhounds in Florida in 2004. The virus had been transmitted from race horses to the dogs, thus establishing dogs as a new host. This virus has not been found outside the US and is only transmissible from dog to dog. The H3N2 first appeared in the US in 2015, in the city of Chicago and derived from birds. It is transmissible from dog to dog, dog to cat and cat to cat. It is found outside of the US in Thailand, China and Korea. There have been no known cases of either virus having been transmitted to humans from animals.

The H3N8 and H3N2 viruses, while causing similar signs, differ in several ways. The H3N8 does not appear to spread as rapidly in the community as the H3N2 and clinical signs tend to be milder than those of the H3N2. The onset of signs after exposure to the virus can occur between one to five days for the H3N8 and one to three days for the H3N2. However, infected dogs can be contagious to other animals during the incubation period, before they start exhibiting signs of illness, for both viruses. The death rate, although less than 10% for both still appears to be at a lower level for the H3N8 than for the H3N2.

---

Both viruses do show similarities in other ways:

---

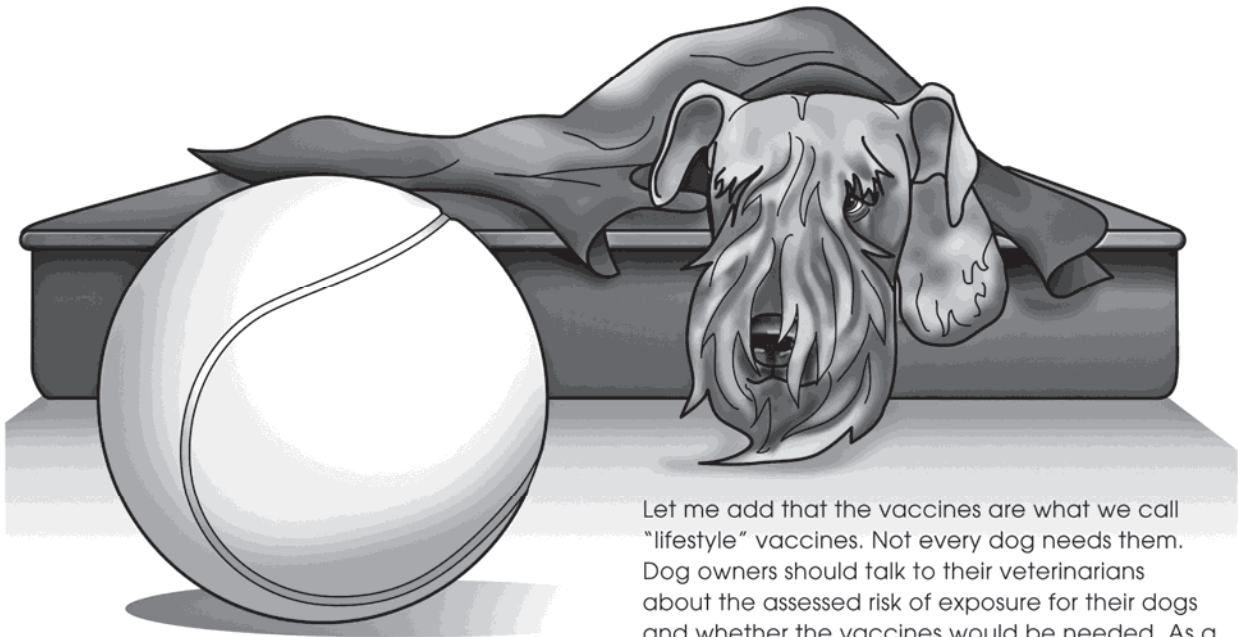

1. *The mode of transmission is the same. Both viruses are transmitted through aerolized respiratory secretions. This can be through barking, coughing, sneezing and also through contaminated objects, people and equipment. The viruses are viable on surfaces for 48 hours, on clothing for 24 hours and on hands for 12 hours. This transmission occurs more efficiently where group of susceptible dogs are in close proximity; kennels, dog day care facilities, groomers and shelters. These do not preclude dog parks, dog shows and other situations where susceptible dogs can come into contact with infected animals.*

2. *Clinical signs are similar, although as I mentioned before, those of the H3N8 tend to be milder than those of the H3N2. Both can, however, share the following signs. In the milder form there can be sneezing, coughing (dry and harsh or soft and moist) that can persist for up to 10- 21 days, nasal and ocular discharge, lethargy and decreased appetite. Fevers can range from 104 to 105 degrees. In some cases, secondary bacterial components can occur, resulting in thick, yellowish nasal discharge, and in a smaller number of cases, in pneumonia. These animals with the more severe form of the illness will have fevers of 105-106 degrees, have shortness of breath and increased respiratory rates. Bear in mind that the age and physical condition of the dog will play a role in determining the severity of the clinical signs. Older, younger, immune-compromised dogs and those with concomitant diseases*

will be at a greater risk of developing more severe signs than others who are not in the mentioned categories. Some dogs may even acquire the viruses and not show any signs, while still remaining contagious to others. Unlike the influenza in humans, this is not a seasonal disease, but one that can be found year round.

3. Diagnosis is achieved through blood tests or pharyngeal/nasal swabs. Your veterinarian will determine which test to run, blood or swabs, since

5. Prevention for both viruses is similar. Vaccines for both forms are available and no cross protection exists from one vaccine to the other. Infection control measure in facilities would follow the same as for any other contagious respiratory disease. These include cleaning and disinfection of bowls, cages, leashes, collars and washing of hands. Common disinfectants are effective. Clothing can be washed using regular detergent at normal laundry temperatures. Isolation of infected animals - 10 days for H3N8 and up to 21 days for H3N2.

each test is run depending on when the onset of clinical signs occurred. Each virus requires its own specific test and when trying to determine which one is present, both tests need to be requested.

4. Treatment for the illness is the same in both viruses. In the milder form, supportive care is all that is usually required. This can be in the form of fluids, cough suppressants, non-steroidal anti inflammatory, and antibiotics to prevent the invasion of secondary bacterial infections. More severe forms of the illness may require hospitalization and intensive care as determined by the specific situation. It is important to note that not all coughing dogs have the flu, as any upper respiratory diseases, such as bordetella, parainfluenza and others can cause similar signs.

Let me add that the vaccines are what we call "lifestyle" vaccines. Not every dog needs them. Dog owners should talk to their veterinarians about the assessed risk of exposure for their dogs and whether the vaccines would be needed. As a rule of thumb, if your dog needs the kennel cough vaccine, it probably needs the flu vaccines also. It is recommended that if your dog is at risk, that the vaccines for both viruses be given. Two vaccines, two to four weeks apart, and full immunity will not be achieved until several days after the second booster.

The canine influenza virus has caused many day care facilities, shelters, animal hospital and other types or establishments to be closed, some temporarily and others permanently. While there is no need to panic to the extent that the media proposes we do, as responsible pet owners and professionals we must take the necessary steps to prevent, treat if necessary, and report to authorities where it is required to do so. Through the efforts of the community we can help keep this virus contained to its most minimal form.

*Blueprints Fall/Winter 2016-2017*

REGISTER OF MERIT POLICY

The title of Register of Merit shall be awarded annually to the sire that has produced five AKC champions or four champions and a fifth published AKC titled get, and to the dam that has produced three AKC champions or two champions and a third published AKC titled get.

(This is for a ROM completed between January 1, 2016 and December 31, 2016)

.....

Those dogs that have made an outstanding contribution to the breed will be given special recognition. Two additional levels of achievement may be attained:

Gold Rom     Sire of 40 AKC titled get or the Dam of 15 AKC titled get

Silver Rom     Sire of 25 AKC titled get or the Dam of 10 AKC titled get

A plaque will be awarded the owner at the Montgomery Annual Dinner.

.....

All awards may only be requested by current USKBTC members.

**\*\*\*Completed ROM Form must be received by August 1, 2017\*\*\***

### Editors Note:

*We are aware there are irregularities in these results, which have been confirmed with the owners of the dogs. The placements as shown here are as they were downloaded from Rau Dog Show Superintendent's website. Unfortunately they do not post Sweepstakes results with their show results. We sent a message requesting them, and did not receive them. That is why they do not appear here.*

\_\_\_\_\_ Household Associate outside US/Canada \$70 (Dues plus \$30 postage)

**Application Process:** Notice of your application will be published in the next issue of BluePrints. Thirty days after publication, your application and any member comments will be submitted to the Board of Governors. You will be notified in writing of the Board's action. This membership process can take up to six months or more, due to the fact that Blueprints is published three times a year. Please be patient. Note that your check may be cashed prior to your being elected to membership. This does not mean you were automatically elected to membership. If for any reason you are not elected to membership, your application fee will be refunded.

**ATTENTION BREEDERS:** NEW puppy owners are eligible to receive BluePrints free for one year by filling out the application and submitting it to the membership chair. Please make sure you the breeder, signs the application. It is our hope that this will encourage new people to become active in the breed and continue their membership.

**Submit Application to:** Mary McGreevy, Membership Chair, 25 New Castle Drive, Charles Town, WV 25414, Phone 681-252-0816, Email: MKerryblue@aol.com
