LIFE MEMBERSHIP ONLY

23 November 1961

This letter is sent to:

Dear Friend:

I took your name from the AKC list of judges, believing you are eligible and are the kind of member we seek for the Oldtimers of the Kennel World.

We now have 402 members (all maid-up for life) Among the newcomers are Ferd Kramer; Roy L. Ayers; Robert A. Kerns; Dan h. Gordan; Wm. K. Jordan; Frances O. Holland; Mr. & Mrs. T. H. Carruthers; Yirginia Keckler and Mrs. W. C. Edwiston.

We have only one kind of membership-active for life. The cost is 50, with application—and that end all due and payments. The beautiful gold and white cin is yours to wear until the end of life—and you may (I hose) die of old age! In addition to the pin, you receive a membership card and a large membership certificate muitable for framing, with your mass importanted in gold.

If you wish, we furnish without cost, the printing cut shown in the upper right hand corner of this letterhead.

Only a small percentage of the American dog fancy is eligiblenamely, at least 25 years in dogs; thus 1938 is the latest year to insure eligibility.

We are making this drive for membership as we will 'close the rank's soon. Wearing the white and gold gin is indeed a mark of distinction. Such mublic recognition of your many years in the fancy is the chief value of membership—and our members believe this is fully sufficient.

A memberahin application is inclosed. You can use my name as one of the two references. Here is an investenct of \$20 which brings literally a lifetime of value. As we look back on the years, the feeling that we have been rart of a great scort for at least a quarter century gives one a sense of satisfaction. I wish you would take action now, as we soon are discontinuing active appeals for membership. This is a sort of last opportunity—and you are, I receat, the kind of fancier we want in our unusual organisation.

Most sincerely Will Judy, President
