FLASH! QUAKER OATS AWARD

Mr. and Mrs. E. L. Wier's Kerry Blue, Ch. Vixen's Show Off, has won the Quaker Oats Award for 1954, not only for winning most groups in the western section, but for the entire country. "Shanty's" record is 34 groups. Rock Roll's Colonial was second with 30, and Ch. Beng Away of Sirrah Crest third with 29. However, Dr. and Mrs. R. C. Harris' sensational Boxer led the country with best in show, having 22, Golden 10, and Show Off 10. Mrs. L. S. Gordon and Juan Bennett's noted Yankee, took the mid-west honors, and we believe the R. D. Levy's of Miami Beach was the southern award with their Tee Foodle, Ch. Blackie Mr. Doodles. Presentation to the Wier's Kerry will be made at the coming Golden Gate show which has an entry of 1400 dogs.

OUR COVER PAGE

Our cover page this month presents the top group winner of the nation and winner of the Quaker Oats Award for the Western Division, Champion Vixen's Show-off, a Kerry Blue Terrier, owned by Mr. and Mrs. Robert L. Wiel of Kerryall Kennels, San Francisco. Ch. Vixen's Show-off in winning this award accumulated a show record which we believe has never been equalled by a Kerry Blue Terrier in a single year.

During 1954 he won 38 Terrier groups under 25 different judges from all parts of the country. He also won 10 best in shows all breeds, under ten different judges. Four of these best in shows were consecutive within a period of eight days, which, it is believed also establishes a world's record for such an accomplishment.

So far as is known he is the only dog of any breed to have won its group at all 11 shows on the Arizona-Texas circuit in one year, and also at every one of the seven shows on the Colorado-Wyoming circuit. Ch. Vixen's Show-off was shown in fifteen states in 1954, and traveled more than 25,000 miles with Harry Sangster, who handles him exclusively. Ten of the 38 groups were won in California.

Mr. George Christopher, President of the Board of Supervisors of the City of San Francisco, presented the trophy in behalf of the Quaker Oats Company at the Golden Gate K.C. Dog show, to Mr. and Mrs. Robert L. Wiel, owners of Ch. Vixen's Show-off. Harry Sangster, handler.

At Annex Golden Gate show, Mr. George Christopher, left, president of the board of supervisors of the city of San Francisco, Calif., presents the Quaker Oats Award to the owners of Ch. Vixen's Show-off, Mr. and Mrs. Robert L. Wiel. Handling Show-off is Harry Sangster.

Top Group winner of the nation in 1954, with 38 Terrier Group firsts scored under 25 different judges from all parts of the country, was **CH. VIXEN'S SHOW-OFF**. He is owned by Mr. and Mrs. Robert L. Wiel, Kerryall Kennels, Reg., San Francisco, Calif.

Ch. Vixen's Show-off, in winning this award, accumulated a show record which we believe has never been equalled by a Kerry Blue Terrier in a single year.

He also won ten Bests in Show, all breeds, under ten different judges. Four of these Bests in Show were consecutive, and scored within a period of eight days—which it is believed also establishes a world's record.

So far as is known, he is the only dog of any breed to have won its Group at all 15 shows on the Arizona-Texas Circuit in one year, and also at every one of the seven shows on the Colorado-Wyoming circuit. Ch. Vixen's Show-off was shown in fifteen states in 1954, and traveled more than 25,000 miles with Harry Sangster, who handles him exclusively. Ten of the 38 Groups were won in California.

Their Kerry Blue Terrier, Ch. Vixen's Show-Off, shown being set up by Harry Sangster, was the top group winner during 1954. Besides group he took best in show many times.

Carrying around for "the Show Kerry of the Year 1954" our incomplete records seemed to indicate that that crown belonged to Mr. and Mrs. Robert L. Wied of San Francisco, Calif. Ch. Vixen's Show-Off. We wrote to Bob for a resume of the dog's career and here's his report:

"Let me answer your request for information on Ch. Vixen's Show-Off. His record for the year is little short of fantastic. We keep pinching ourselves. As for records, I don't have any comparative ones to go on, but surely what this dog has done this year, has seldom if ever been equaled by a dog

of any breed to the best of my knowledge. Last year's top dog in group wins in the entire country was the English Setter, Rock Falls Colonel that won 31 groups. Ch. Vixen's Show-Off has won 38 this year. As far as I have been able to learn, no one in the country has topped this for 1954. Last year the Quaker Oats award for most group wins in the West was won by Ch. Frohll's Thunderbolt with 75, in a tie with the Min Pin, Pannie von Mill Mass, that also had the same number. I think we can safely claim this award for the Western division this year, although I have as yet no official word. So far as I know, no one is even close to this number. Statistically, Show-Off has been shown 40 times this year in 13 States. He was BB 39 times under 29 different judges. The 40th time he was BCS. After going BB he won 38 of the 39 groups under 27 different judges. The 39th time he placed second. He was best in show 10 times of the 38 or better than once in four times. These best-in-shows were under ten different judges."

Thank you, Bob Wied and sincere congratulations! There can be no doubt that Ch. Vixen's Show-Off is the "Kerry of the Year." Any Kerry distinguishing himself in this manner in group and best in show competition, serves the breed as a whole by focusing public attention on it. — Bette Lilienfeld, 33 Macy Ave., White Plains, N. Y.

Canada's Dog of the Year

Int. Ch. Miss Show Off of Cognewaugh

Pictured scoring Best-in-Show win at Westchester Kennel Club show, October 11, 1955. Entry, 2,064 dogs. Left to right: Les Carey, show chairman; Albert Van Court, judge; George Ward, handler; and Stanley Helle, club president.

The selection of Int. Ch. Miss Show Off of Cognewaugh as the Dog of the Year for Canada marks the third time in four years that a Tailfeann Kerry Blue Terrier has won this honor. Miss Show Off won five Best-in-Shows in Canada in 1955.

In the United States, during 1955, she scored four all-breed Best-in-Shows and eight firsts in the Terrier group. Her best-in-show wins included Westchester—fourth largest show in the country—and Detroit, seventh largest show.

Not yet four years old, Miss Show Off has scored—to date—21 Bests in Show. She has played a strong part in bringing the total Best-in-Shows won by Tailfeann Kennels to 81. This record has been compiled in seven years of showing.

OUR COVER PAGE

Our cover this month shows the Kerry Blue Terrier, Ch. Vixen's Show-Off, known to his many friends as "Shorty," winning his 14th Best in Show at the Beverly-Riviera Kennel Club show, September 11, 1955, over an entry of about a thousand dogs. Show-Off is owned by Mr. and Mrs. Robert L. Wiel, Kerrvill Kennels, Reg., San Francisco, and is handled exclusively by Harry Sangster.

At this show, Ch. Vixen's Show-Off won his 74th best of breed, under his 46th different judge. In qualifying for the final, Show-Off acquired his 51st Terrier group under Judge Fred Sanford, Mr. Sanford was the 30th different

groups on the Texas Circuit, 7 straight groups on the Colorado Circuit, 4 straight groups on the Utah Circuit, 3 straight groups on the California-Oregon Circuit, and 5 best in shows on the Deep South Circuit in 7 shows, 4 of them consecutive.

Ch. Vixen's Show-Off in 1954 won not only the Quaker Oats Award for the top group winner in the Western

Division of the United States, with 38 groups and 10 best in shows, but was the top group winner in the nation, all breeds, for that year.

In 1955, although he has not been shown as much, he has 12 groups and 4 best in shows to date.

Ch. Vixen's Show-Off has been shown 76 times since he completed his championship and in 15 different states. He has won his breed at 71 of those shows.

CH. VIXEN'S SHOW-OFF

*Winning his 59th Group - Run County KC
Mrs W.C. Edmister March 15-1956*

Your Show Off has certainly piled up a great producing record. He has done more for the breed than any other Kerry with the possible exception of Topper of Belcrest and Michael Sr. And of course this is the same line. I am proud that our Vixen's Show-off is one of his most distinguished sons.

You may be interested in being brought up to date on "shorty's" record. As of last Sunday he has won 93 BB's under 49 different judges, 61 Groups under 34 different judges, and 15 BIS under 14 different judges. He has 23 group placings. At five shows he was not shown in the group or there was no group (specialty) so that he has failed to place in the group only four times out of 88. Of these four times, three were when he was a very young dog and went BS from the classes. He has been shown 99 times since he finished and has lost the breed only 6 times, going BOS 3 times and losing to a dog 3 times.

Wishing you continued good luck with your Kerries

Sincerely,

Bob Weil

PROFILE OF AN OUTSTANDING KERRY BLUE TERRIER

* CH. DEEDS SHOW OFF

April 12, 1945-May 9, 1947
SIRE OF 41 CHAMPIONS

CH. DEEDS SHOW OFF was the greatest sire in the history of the breed, and his record has never been challenged to date. Bred by "Pop" Sayree, developed by William Fox, he was later purchased by the Blueco Kennels of Gladys S. Titcomb. His sons and daughters headed the most famous kennels in America, and his first generation accounted for more than 83 champions. He had 2 Bests in Show-All breeds, 1 Specialty Best and several Group Firsts. His grandson, Ch. Talisman's

Widow II, came the closest to his record as a sire, with 27 Champion offspring. Ch. Talisman's Immortal, his great-great grandson, holds the breed's current record, with 22 Champions to date.

In the list of Champion get which follows, as well as the pedigree below, an * (asterisk) before the name of an individual indicates a Best in Show winner; the figures following the names in () parentheses gives the number of Champion offspring.

The second annual Professional Handlers' Association Educational Conference was held again at the Washington Motel in Gaithersburg, Md., July 28-29—with the complete facilities of the country club and motel available to the participants. Handlers and their guests are pictured below.

Check-in registrations were scheduled for July 27 and the program started bright and early on Tuesday with Anthony Stamm speaking at 9:00 A.M. on the subject of "An Adequate Bookkeeping System for Handlers of Dogs." After a presentation by the Sturdy Dog Food Company, Anne Hone Rogers, aided by a graphic film, gave a talk on the "Care and Grooming of Poodles."

Then the Quaker Beef Company made their presentation and Dr. Frank R. Booth followed with a film and talk on "The Anatomy of the Dog," finishing with a discussion period. After time out for lunch, Dr. Frederick Wright spoke on "Pre-Natal Care, Whelping Puppies and Post-Natal Care of Bitches and Puppies."

Presentations were made by the Quaker Oats and Purina Dog Food Companies. The afternoon highlight was a question and answer forum, moderated by Hilbert J. Trachman, PEHA legal representative, with the guests being William Kendrick, Anthony Stamm, Laddie Carswell, Jack Spring and Dr. Booth. In the evening, a cocktail party was topped off with a dinner and dance.

The second day, devoted largely to golf, included a choice of swimming, tennis or a guided tour of the nation's capital for non-golfers. The wind-up was a golf awards dinner, with toastmaster William Kendrick introducing the guest speakers, Alfred M. Dick, AKC executive vice-president and George F. Foley, head of the Foley Dog Show Org.

Panel on Question-and-Answer Forum: Wm. L. Kendrick, Anthony Stamm, Laddie Carswell, Hilbert J. Trachman, PEHA legal representative, Jack Spring, and Dr. Frank R. Booth.

PEHA Officers: Ernest Leach, Secy; Laddie Carswell, V.P.; Jesse F. Kemp, Chairman; Board Members: Mrs. W. L. Hockman, Frank Sturdy, John F. Murphy, and Leonard B. Brumby, Jr., Pres.
